d/17th May 1889 No. 189 D.

Order. 12. July 189 No. 719

The pension was sanctioned in G. O.

5th June 1889 No. 24.

The Examiner, Public Works Accounts will be requested to explain his statement that it ordinarily takes 2 1/2 months for orders to issue in the Pension Department of Government. In the present case the papers reached Government only on the 26th April and orders were passed on them on the 21st May. There was some delay in issuing this order and the matter has been dealt with, but ordinarily, it is believed, pension applications are disposed of much more promptly. If the Examiner can give instances in support of his statement the Government will be obliged to him and will take steps to prevent such unnecessary delay.

 Submitting explanation of his statement that "it ordinarily
 takes 2½ months for orders of Government in the Pension De-
 partment to issue on a pension application."

Order. 22. August - 189 - no 924

A copy of the Superintending
 Engineer's letter will be forwarded to the Examiner, who will
 see that the interpretation put by Government upon the extract
 quoted by Colonel A. C. Smith was a natural one. The Government
 is glad to learn that Major Christie had no intention of imply-
 ing that there was ordinarily a delay of 2½ months in the dis-
 posal of pension applications in the Secretariat of the Pension
 Department.
