5TH JULY 1889, No. 1782 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Military Works.

READ—the following paper:—

From Colonel E. COLLEN, Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 14th June 1889, No. 1185 M.W. (Accounts—Budget Estimate).

I am directed to acknowledge the receipt of the final issue of the Madras Military Works budget estimate for 1889-90, forwarded with your letter No. 1160 W., dated 1st May 1889.

2. In reply, I am to state, for the information of the Governor in Council, that the Government of India accept the budget estimate as now submitted, with the exception of item 12, class B works, water-supply, Lawrence Asylum, Ootacamund. Under the orders conveyed in Military Department No. 894 M.W., dated the 10th May 1889, no provision in the Military Works budget estimate is necessary for this work, and the item should accordingly be expunged. The amount (Rs. 12,350) entered against it should be transferred to the new barracks at Malapuram, item 1, class A work. Thus augmented, the provision for this work will apparently suffice to complete it during the current year, and I am to ask that His Excellency in Council may be moved to issue instructions that this may be done without fail.

ORDER—dated 5th July 1889, No. 1782 W., Public Works.

Communicated to the Superintending Engineer, IV Circle, in continuation of G.O., No. 1462 W., dated 3rd June 1889.

2. Arrangements should be made to complete the barracks at Malapuram during the current official year as desired by the Government of India.
