GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Military Works.
Account.

READ—again the following paper :—

G.O., dated 30th April 1889, No. 1152 W., Public Works.

From Lieutenant-Colonel C. F. THOMAS, Officiating Controller of Military Accounts, to the Surgeon-General with the Government of Madras, dated Madras, 27th February 1889, No. 6374.

In returning the enclosures of your letter No. 310, of 21st January 1889, I have the honor, in reply, to state that Army Regulations, India, Volume I, Part I, do not provide for compensation, in lieu of quarters, for Military pupils of the Medical College, Madras.

2. When the class of Medical pupils or apprentices, as they were designated, existed some years ago, compensation for quarters, at Rs. 7-8-0 per mensem, was paid and adjusted in the Public Works Department, there being provision in the Public Works Code of 1882, para. 1463 (d), for the payment of such charges—*vide* also letter No. 442, dated 13th February 1889, from the Accountant-General, Madras, herewith forwarded (return requested).

3. On the publication of the revised Public Works Code in 1886, no provision was made in it for compensation for quarters for this class of Medical subordinates, presumably because they had ceased to exist, their recruitment having, as stated in your letter, been held in abeyance.

4. As all claims for compensation for quarters, with the single exception of those for Medical subordinates on sick leave, are paid and adjusted in the Public Works Department, claims for Medical pupils should also apparently be adjusted in that department as was formerly the case.

From Major C. H. P. CHRISTIE, R.E., Examiner, Public Works Accounts, to the Surgeon-General with the Government of Madras, dated Madras, 14th March 1889, No. 137 X.

In reply to your letter No. 1210, dated 4th March 1889, I have the honor to state, as the rules of the Madras Public Works Department Code now stand, I am unable to authorize, as requested by you, the payment of compensation for quarters to Military Medical pupils of the warrant grade.

2. If you consider that the Madras Public Works Department Code requires modification, I would suggest that you, as representing the department interested, should address Government on the subject.

3. The enclosures to your letter are herewith returned.

From G. BIDIE, Esq., M.B., C.I.E., Surgeon-General with the Government of Madras, to the Secretary to Government, Public Works Department, dated Fort St. George, 18th March 1889, No. 143 (through the Secretary to Government, Military Department).

I have the honor to request that the Examiner, Public Works Accounts, may be authorized to pass compensation for quarters for Military Medical pupils of the warrant grade now studying at the Madras Medical College. He refuses to admit this charge without the sanction of Government as no provision is made in the Public Works Code of 1886 for the same—*vide* his letter attached.

2. Government will see from the enclosed letter from the Controller of Military Accounts that provision was made in the Public Works Code of 1882 for the same, and the omission of it in the revised edition of 1886 appears to be due to the fact that recruitment for this grade of Medical subordinates was stopped some years ago, but now that it has been resumed under the orders of the Secretary of State for India, I have to request that the necessary addition may be made to the revised Code.
