5TH SEPTEMBER 1889, No. 2464 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), dated 1st July 1889, Forest No. 593, Mis.

W. S. WHITESIDE, Esq.

Read—the following letter from the Conservator of Forests, Northern Circle, to the Secretary to the Commissioners of Land Revenue, dated 3rd May 1889, No. 417:—

With reference to Board's Proceedings, dated 10th July 1888, Forest No. 489, Mis., and G.O., dated 24th September 1888, No. 2998 W., Public Works, communicated with Board's Proceedings, dated 30th October 1888, Forest No. 750, Mis., I have the honor to report that alterations and improvements necessary in order to fit the inner verandah of the Salt Department office in these buildings for a Forest museum have been completed and the museum arranged almost completely. The verandah in question makes an excellent museum room and draughtsman's room and is by no means so hot as it was expected to be.

2. In writing to the Consulting Architect to Government in March last, I inquired if the tiles could not be shifted and the old room painted inside in order to stop the leaks which are said to occur during the rainy season, before that season arrives. In reply, in his letter, No. 1904, of 25th March 1889, the Consulting Architect wrote as follows:—

"I do not think that shifting the tiles will stop the leakage. All the drainage from adjoining flat roof flows over the tiles and is the principal cause of the leakage. If the drainage is carried down in zinc pipes laid over the tiled roof, it will, I consider, be an effectual remedy against leakage. I will have an estimate prepared for the same and forwarded to you for the approval of the Board."

3. The estimate referred to by him has now come and is herewith submitted. It amounts to Rs. 413, and the Conservator ventures to recommend the Board to sanction the amount.

Resolution—dated 1st July 1889, Forest No. 593, Mis.

Submitted for the sanction of Government and for provision of funds in the Public Works Department.
