READ—the following paper:—

From Colonel ROSS THOMPSON, R.E., Executive Engineer, Nilgiri Division,
to the Superintending Engineer, IV Circle, dated Ootacamund, 12th August
1889, No. 1671.

With reference to your endorsement No. 277-C., of 24th ultimo, I have the honor
to forward, herewith, a general abstract, in duplicate, amounting to Rs. 3,959, for
connecting private houses at Ootacamund with the water-supply scheme for sanction.

2. Payments from house-owners and agents, for the buildings noted in the
abstract estimate, have been received, and most of these houses are connected with
the main line pipes; estimates have been submitted to many more house-owners for
countersignature and payment; when these are received, they will be submitted for
sanction as supplemental to the one now enclosed.

3. Great difficulty is experienced with these estimates, as house-owners con-
stantly wish the estimates to be revised while under execution; hence the delay in the
submission of these estimates.

4. Detail and abstract estimates are not submitted for each building, as the
general abstract shows the amounts for each house.
