 I cannot give the certificate
 required under para 16 of Appendix G
 to the Code unless the grant is made;
 if you consider the grant unnecessary,
 you might send on the indent without
 the certificate saying that it appears
 to be unnecessary; but this will pro-

 indent and it will be simpler to make
 the grant.

The G.O. No 371 I dated 25th May 1886 quoted did not settle the question of treatment of "Stock". This was decided in G.O. No 1067 N dated 28th April 1886 which laid down that the workshops should keep a reserve of stock, and maintain the ordinary stock - accounts outside the workshop manufacture suspense account. Funds to meet the cost of articles referred to in the indent should accordingly be provided under the Suspense head - 'Provincial Stock'.
