GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

G.O., dated 23rd July 1889, No. 454, Public.

Office note from the Superintendent, Government Press, dated 13th June 1889, No. 1800.

When the removal of the Government Press from the Fort to the Mint buildings was decided on, the undersigned told the Chief Secretary that he would, at the earliest opportunity, get estimates prepared for working the printing machines by steam power. The accompanying estimate, prepared by the Superintendent, Public Works Workshop, is now submitted for favorable consideration. The undersigned solicits that this estimate may be sanctioned by a special grant. If the work is carried out through the Executive Engineer, Presidency division, the estimate will be reduced by Rs. 2,203 under the four items "Additional charges at 25 per cent."

2. When steam power is in use, the services of 22 wheelers on Rs. 154 a month will be dispensed with. The working expenses of the engine room will be Rs. 147 as under—

	RS.
One Engine-driver and Engineer	40
One Fireman	15
Firewood	85
Lamp oil	3
Cocoanut oil	2
Cloth, waste	2
Total ...	147

3. The outturn of work will be greatly facilitated, as 50 per cent. more work will be printed off daily by each machine. With the exception of Gazette days, and when special work has to be got out in a given time, it is anticipated that there will be no overtime in the press and machine department for some years. The probable saving in overtime will be about Rs. 1,100 a year.

4. The undersigned solicits that the Public Works Department may be instructed to treat this work as urgent and have it executed at a very early date.

From the Public Works Department, dated 9th July 1889, No. 487 D.

Order—dated 23rd July 1889, No. 454, Public.

The cost of the work will be accepted as a charge against 30. *Stationery and Printing*, and the necessary funds will be placed at the disposal of the Public Works Department when the estimate (which will be retransferred to that department) has been sanctioned.

Chief Secretary.

9TH AUGUST 1889, No. 2143 W., PUBLIC WORKS.

ORDER—dated 9th August 1889, No. 2143 W., Public Works.

The estimate, amounting to Rs. 11,015, is sanctioned for execution by the Public Works Workshops, the cost of the work being met from 30. *Stationery and Printing.*
