Genl. No.

With reference to G.O.No. 2194 W.dated 12th.August 1889 communicating Financial Department No.463 dated 26th.July 1889 on the subject of recovery by treasury officer of rents due from officers of the civil department for buildings occupied by them as residences, and asking me to issue requisite instructions to Executive Engineers, it is not very clear on what points instructions are supposed to be required. Rents from officers of civil department are always recovered by treasury officers on receipt of monthly rent lists from Executive Engineers and the procedure (vide code para 1044 A and note on form 42 A) is well understood; but possibly the Supg.Engineer means that treasury officers should recover rent month after month without repeated advices. I think they might do so, but orders of Government would be necessary.

2. As regards the salary of the officers occupying the buildings, an Executive Engineer can always ascertain an officer's salary and allowances by asking the Treasury officer.

3. I may also point out that the maximum limit of rent chargeable is 10 per cent in all cases and in no case 8 per cent as stated by the Executive Engineer Coimbatore Division.

From para 3 of letter from the Engr Coimbatore division dated 25th June 1889, it does not appear that the stoppage of the monthly return to the treasury officers is desired. The Special attention of the Suptg Engr is drawn to para 3 of the Engr's note.
