Sanitary Board, to act as advisers and agents
of the local Government in respect of sani-
tary arrangements. No board has yet been
formed for the civil and military station,
but it appears to the Resident very necessary
that there should be such a Board in
Bangalore. The members of it might be
the Deputy Surgeon General, the Residency
Surgeon, the Executive Engineer, and a Staff
Officer nominated by the General Officer
Commanding the district, and perhaps an
European officer in the service of the
Mysore State.

The Resident will be glad if you
will direct the Executive Engineer of the
Presidency Division to serve on the board.

An order formally constituting the board
will then be passed.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer

of the Department.

SIR,

Enclosures.

I have the honor to forward for the
consideration and orders of Government,
copy of letter No. $\frac{2777}{4069}$ dated 19 August 1889
addressed to me by the Assistant to the
Resident in Mysore.

The Board referred to being one
to advise the Resident in all sanitary
requirements of the British Cantonment
of Bangalore and its duties being con-
fined entirely to that station and there
being very great need at Bangalore
for a decided advance in the matter
of sanitation all round our barracks
I would recommend that the Resident's
request be acceded to.

When

When the Head Quarters of the
Presidency Division are removed from
Bangalore as I have already recommend-
ed they should be on public grounds it
will be necessary to substitute the
Assistant Engineer for the Executive
Engineer provided of course the Resident
has no objection.

I have the honor to be
Sir
your most obedient servant

The job has no
objection to the Es. Engineer
Presidency Division serving
on the proposed Sanitary
Board at Bangalore.
The Es. Engineer will reply
to the Resident accordingly.
