SIR,

I have the honor to request that you will be so good as to obtain the sanction of Government for the abolition of the D. P. W. dispensary at Itikavalasa on the Pottinghi Ghat in the Vizagapatam Division as the Esq. states that there is no need of keeping it up any longer & I agree with him. In his inspection Notes of January 1888 of the Pottinghi Ghat Mr. Walch as Super Engineer of this Circle suggested the advisability of abolishing the Hospital at the place in question.

From C. J. USSHER, Esq., Executive Engineer, Vizagapatam Division, to the
Superintending Engineer, I Circle, dated Potinghi, 29th July 1889, No. 970.

In reply to your No. 173 V.Z., I have the honor to report that the hospital at
Itikavalsa is only a temporary shed with wattle walls and thatched roof about 30' x 15'.
It is not required for any other purpose. There is also a shed for the accommodation
of the Apothecary and this will be maintained as a subordinate inspection shed.

2. With regard to the medicines, those required might be transferred to the
Public Works Department hospital at Potinghi and the remainder, with instruments,
returned to the Medical Department.

3. The services of Apothecary Kistnasawmy Moodelliar will be available for
retransfer.

No. 205 V.Z.

Copy submitted to the Chief Engineer, Public Works Department, with reference
to G.O., No. 1866 W., dated the 13th July 1889. I propose that the temporary
hospital shed at Itikavalsa should be sold by public auction for what it will fetch.
The division officer will be requested to report the value of the shed, which will be
communicated to you on the receipt of his report.

(Signed) D. McNEIL CAMPBELL, Major, R.E.,

Sir,

With reference to your No. 208 vx of 14-8-89, I have the honor to inform you that the approximate value of the Temporary Hospital Shed at Itikavalsa, is Rs. 150, but owing to its situation, it is not probable that it would realize that amount, if sold by auction.
