GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

Read—the following papers:—

From Colonel W. H BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Cheyár Anicut, 12th August 1889, No. 3208.

In continuation of my letter, No. 2419, dated 10th July 1889, I have the honor to request that funds to the extent of Rs. 299 may be appropriated for repairing lock hospital at Bangalore. The work was put in hand by the Executive Engineer in January 1889 on emergency on the requisition of the Medical officer who represented that the building was in a dilapidated condition; and the District Staff Officer states that funds for the above work are not available for the reasons stated in the enclosed copy of his letter, No. 1086 L., of 26th July 1889.

Enclosure.

From Major T. HARRIS, District Staff Officer, Bangalore, to the Executive Engineer, Presidency Division, dated 26th July 1889, No. 1086 L.

In reply to your letter, No. 374 M., of 20th July 1889, I have the honor to inform you that G.O., No. 1677 W., dated 7th June 1888, referred to in your No. 74 M., dated 24th April 1889, does not, in the opinion of this office, refer to repairs to existing lock hospital, but to new building in connection with such hospital.

2. As there are no cantonment funds at the disposal of the Military at this station, I request you will very kindly cause the lock hospital, Bangalore, to be repaired as soon as possible.

No. 3801 C.

To the Examiner, Public Works Accounts, for favor of remarks.

2. The objection raised by the Government of India in its letter, No. 932 M.W., dated 21st May 1888, communicated with G.O., No. 1677 W., dated 7th June 1888, does not seem to apply to repairs to existing buildings connected with lock hospitals.

(Signed) W. L. C. BADDELEY, Captain, R.E.,
Dy. Chief Engineer, P.W.D.

23rd August 1889.

Office note from the Examiner, Public Works Accounts, dated 9th September 1889, No. 1293.

The Government of India, in their letter quoted by you, apparently intended that no charges whatever on account of lock hospital should be debited to Imperial funds.

2. In the case in question as there are no cantonment funds in Bangalore to meet expenditure on lock hospitals, the outlay might, with the sanction of Government, be met from Provincial funds, as has been done in another case—*vide* G.O., No. 2210 W., dated 14th August 1889.
