2. This office is now in communication with the Commissary-General, in view to its being furnished with a list of minor works for which allotments are urgently required, on receipt of which General Officers Commanding will be requested to comply, as far as possible, with the demands made, but I am to observe that it would now be obviously impossible to provide funds from the amounts already allotted to General Officers Commanding, for the exclusive use of the Commissary-General, and to suggest that, in future years, a special allotment may be placed at the disposal of the Commissary-General, agreeably to the provisions of para. 1759, Army Regulations, India, Volume V.

Secretary to Government.

ORDER—dated 20th September 1889, No. 2610 W., Public Works.

The suggestion made by the Quartermaster-General in the concluding portion of para. 2 of his letter above recorded is approved, and a special grant will be provided in the budgets of future years for minor works connected with the Commissariat department. The Quartermaster-General will be requested, under the orders of His

Excellency the Commander-in-Chief, to include the lump sum allotment annually required by the Commissary-General in the schedule of requirements for military works.

2. There being no information with the Government as to the unspent balances of grants at the disposal of General Officers Commanding Districts and the Inspector-General of Ordnance, those officers will be requested to report to the Public Works Department, in the form annexed to these proceedings, all appropriations made by them from the lump sum grants for minor works. The Commissary-General will also be requested to follow this procedure when funds are placed at his disposal.
