PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Registrar, High Court, Appellate Side,
Madras, No. 3091, of 17th December 1888

Reference thereon by the Judicial Department,
of 29th January 1889, enquiring of the High Court
why 11 iron record racks are wanted for the
District Court, Tanjore, and meanwhile sanc-
tioning two racks as per enclosure to High
Court letter recorded in G.O. No. 2067 W. of 9th July
1888.

From the Registrar, High Court, Appellate Side,
Madras, No. 730, of 11 March 1889 forwarding
copy of letter from the District Judge, Tanjore,
on the subject of the supply of iron racks for
the use of his court.

Order:— of 21st March 1889, No. 527

In the circumstances stated by the
District Judge the Government consider that
the two racks already sanctioned are
sufficient.

Read the following paper

From the Public Works Department, of 2^d April 1889, No. 1691C, enquiring whether the estimate of Rs 2510 which provides for 14 iron record racks for the combined Court Houses of the D. Munsiffs of Kumbakonam and Valangaman is approved.

Order, 11 April 1889, No. 651.

The enquiry of the Public Works Department is answered in the negative. As stated in J.O. 21 March 1889, No. 527 Judicial Department, the Government consider that the provision of 2 racks for the District Court, Tanjore, referred to in J.O. 9 July 1888, No. 2067M Public Works, is sufficient.

General.
Account.

READ—the following paper :—

From Lieutenant-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle,
to the Chief Engineer, Public Works Department, dated Tanjore, 5th August
1889, No. 991 T.J.

With reference to G.O., No. 1795 W., dated 6th July 1889, sanctioning estimate
of Rs. 2,920 for improving the District Press office at Tanjore, I have the honor to
request sanction to a transfer to this work of the above sum from Rs. 8,900 granted
in the current year's Provincial budget for Tahsildar's office at Kumbakonam.

2. There appears no likelihood of the grant for the latter work being utilised this
year as the site has not yet been settled, nor has the revised estimate been sanctioned.
Pending sanction to the transfer proposed, I have authorised the Executive Engineer
to arrange for starting the improvements to the Press office.

ORDER—dated 16th August 1889, No. 2240 W., Public Works.

The following transfer of funds is sanctioned :—

NOTE OF REMARKS.

The Estimates under Review amounting to Rs. 2,760 and Rs. 2,540 provide for eleven Iron Road Trucks for the District Court House at Tanjore, and four for the combined Court House for the District Munsiff of Kumbakonam and Talanganam in the Tanjore Dist. —

In some instances the sizes of the trucks required differ from those of the standard designed, and as much more provision is made for them the Estimates cannot be checked. —

Govt. in Judicial Dept. 4.527 a/c 2/3/89 consider that the two trucks already sanctioned are sufficient.

READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 15th May 1889,
Mis. No. 2884.

THE HON. J. GROSE, M.A.

Read—the following letter from the Collector of Tanjore, to the Secretary to the
Commissioners of Land Revenue, dated 15th February 1889, No. 112.

I have the honor to forward herewith an estimate (received from the Superin-
tending Engineer, VI Circle), amounting to Rs. 3,410, for providing iron record-racks
for the Májavaram taluk cutcherry, and request that the Board will be pleased to
obtain sanction of Government for the same.

Reference on the above to the Collector, dated 26th February 1889.
The Collector is requested to report how he proposes to meet the cost.

Read—the following letter from the same officer, dated 26th March 1889, No. 187.

In reference to Board's reference on Sub-Register No. 423 of 1889, dated 26th
February last, I have the honor to forward copy of letter from the Superintending
Engineer, VI Circle, No. 2574 T.J., dated 8th March 1889, from which it will be
seen that no provision has been made in the Public Works Department budget for
the cost of record-racks for the Májavaram taluk cutcherry.

2. I beg that the Board will be pleased to move Government to provide for the
work in the final issue of the Civil Works budget for 1889-90.

Reference on the above to the Collector, dated 12th April 1889.
The Collector is requested to report when the record-room will be ready for the
racks he proposes to put up.

Read—the following letter from the same officer, dated 26th April 1889, No. 251.

In reply to Board's reference, dated 12th April 1889, on Sub-Register No. 423
(General Register No. 951) of 1889, I have the honor to report that the record-room
of the Májavaram taluk cutcherry is now ready for the racks proposed to be put up.

13

Resolution—dated 15th May 1889, Mis. No. 2884.

Submitted for the orders of Government.

2. The Collector of Tanjore requests that the taluk office at Māvavaram be supplied with thirteen iron record-racks and two ladders at a cost of Rs. 3,410. The Superintending Engineer reports that he has no funds at his disposal from which the charge can be met, but suggests that, if the supply is urgent, the Government may be moved to make the requisite provision in the final issue of the budget. The Board request that funds be provided accordingly, as it appears that the new taluk office is now ready for the proposed racks to be put up. It will be probably more economical to place iron racks in the taluk cutcherry than wooden ones. Once put up they will last as long as the building.

Endorsement No. 3750, Revenue.

Approved and transferred to the Public Works Department for the provision of the necessary funds.

OOTACAMUND,
17th June 1889.

(Signed) C. A. GALTON,
Secretary to Government.

ORDER—dated 29th July 1889, No. 2032 W., Public Works.

The Government considers the plan of iron record-racks, circulated with G.O., No. 1098 W., dated 12th April 1888, which was designed expressly for court records, is unsuitable for taluk records, which are usually contained in large bundles. The iron racks are, moreover, far more expensive than wooden racks. The latter should accordingly be provided for taluk offices. A type-plan, with specification and quantities, will, in due course, be prepared by the Chief Engineer and issued for guidance.

2. A plan, with approximate estimate amounting to Rs. 625, for wooden racks to be put up in the taluk office at Māvavaram, is forwarded to the Superintending Engineer for adoption, in lieu of the plan and estimate, amounting to Rs. 3,410, already submitted.

3. The Superintending Engineer will propose a reappropriation of funds to admit of the work being carried out in the current official year.
