MEMORANDUM.

Enclosures.

Letter No. 1867 Dated 6th September 1889, from the Executive Engineer, Ramnagar Division, re: requesting orders for transfer to the State of tools, instruments and office furniture available after winding up the Division, as requested by the Deputy Collector and Manager of the State.

1. The Executive Engineer will observe from para 10 of the Office Memorandum No. 1-A of 19th August 1889, that only the balances of tools &c. were proposed to be transferred to the Madras Division; that is the balances that may remain after meeting the demand of the State. In fact, the Executive Engineer's proposal in para 4 of his No. 162.C. of 9th August 1889, was approved, and there is therefore no objection to comply with the request of the Deputy Collector and Manager of the State.

2. The value of each article will of course have to be paid by the State; care should therefore be taken that a proper list or receipt of all instruments &c. handed over to the State, is obtained, showing also the value of each article, so that the necessary

adjusted

adjustment may be made without delay. One copy of this receipt should be sent to the Indian Division and another to the Treasurer F.W. accounts.

3. A copy of this Memo. will be sent to the Chief Engineer for information.
