GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Buildings—Appropriation.

Read the following papers:—

No. . *From W. J. H. LE FANU, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, Fort St. George; dated Chittoor, 25th May 1889, Ref. on Genl. L.F. No. 1275.*

The Inspector of Schools, Central Circle, has suggested that the Normal school at Arcot, which was located there for the last two years, may be transferred to Ranipet, as the Practising department at the former place is not sufficiently large; and that the military barracks at the latter station, which have long since been abandoned, may be utilized for the location of the said Normal school, as well as the Ranipet Local Fund school, which is at present held in a rented building; the District Board have, at their meeting held on the 16th instant, approved of the above proposals. A copy of their resolution is enclosed.

2. I have the honor to request that Government will be pleased to order that the barrack building at Ranipet be handed over to the District Board for the purpose above mentioned, the same being at present in the hands of the Military Department.

EXTRACT from the Minutes of Proceedings of the District Board, North Arcot, passed at their Meeting held on the 16th May 1889 at Palmanér.

In returning papers received under Reference Order No. 3913 of the 15th June 1889, I am desired to state, for the information of Government, that as it is not probable the buildings will be required again for military purposes, His Excellency the Commander-in-Chief sees no objection to the proposal to locate the Normal school at Arcot and the Ranipet Local Fund school in the old European Infantry barracks at Ranipet on the understanding that they are to be kept in good repair and vacated within three months should they ever again be required by the Military Department.

2. I am further to suggest that it would appear desirable for the District Board to take over all the vacant buildings of the European Infantry barracks at Ranipet on the above conditions, except those proposed to be demolished (*vide* this office No. 4344 A, dated 13th November 1888), in order that the services of the chowkeydars entertained for their protection under Proceedings of Madras Government No. 3705, dated 19th October 1864, might be dispensed with.
