Para 3 of G.O. No

of para 1 of this office  
No 536 C of 4.2.89 ap-  
pear distinctly to require  
that the plan of the  
hospital assets' quarter  
should be submitted  
submitted for the  
approval of Govt.  
No 536 C was written  
under Col. Mead's order.

under G.O. No 534  
of 6.8.88 & para 1 (b)  
of G.O. No 812 Rev. of 22.11.88,  
the plan of the proposed  
choultry should also  
be submitted for  
the approval of Govt.  
So far as I recollect  
Col. Mead seemed quite  
of opinion that plans  
of the buildings should  
be submitted. 6

Sir S. Ramaswami  
might perhaps be  
informed that there  
is no objection to his  
using Madras made  
tiles on the condition  
stated by the S.G.

A point in these  
papers requiring con-  
sideration is that Sir  
S. Ramaswami appears  
never to have submitted  
to Govt. for approval  
the plan of the new  
building - This was  
an express condition  
of the Concessions granted  
to him - vide G.O. No.  
3777 W & 29.11.88 &  
2815 W & 10.9.88; also  
para 1 of this office  
No 536 C & 4.2.89.

The plan referred  
to in G.O. No 741 W &

?

2661  
12.3.89 & 2608 C & 3.6.89  
was apparently only a  
site plan.

This matter must  
apparently be submitted  
for the orders of Govt.

The building appears  
to be nearly ready  
for the roof.

Yes. orders of Govt will  
be required. The S.E.

should obtain Sir S. Ramaswami  
Iyer's explanation. The specimens  
regarding the tiles may  
be given on the condition  
stated by S.E. which  
should be distinctly  
expressed by Sir S. Ramaswami

Instructions  
expressed above given in  
the papers marginally noted.  
The building has been  
commenced & nearly  
completed, while the  
plan has not been  
submitted for the ap-
