30TH JULY 1885, No. 1787, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

Extract from the Proceedings of the Government of India in the Home department (Public), dated Simla, 11th July 1885, No. 31—1217-42.

Resolution—

It has recently been brought to the notice of the Government of India that no rule exists regulating the circumstances under which officers of Government may apply to Native Chiefs for pecuniary contributions towards public objects. As it is for many reasons undesirable that such applications should be made except with the permission of superior authority, the Governor-General in Council is pleased to direct that in future no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or officials of Native States in pursuance of public objects, except with the sanction previously obtained of the local Government to which he may be subordinate.

Home Department Resolution No. 1217-42, dated the 11th July 1885.

RESOLUTION.

In the Resolution read in the preamble it has been laid down that no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or officials of Native States in pursuance of public objects, except with the previous sanction of the Local Government to which he may be subordinate.

An instance has recently come to the notice of the Government of India in which a public servant accepted a donation from a Native Chief towards a religious object in which he was specially interested. In the Resolution of 11th July 1885, applications for contributions to private or semi-public objects are not expressly condemned, but the objections upon which those orders are based apply with even greater force to such donations. The Governor General in Council is therefore pleased to extend the orders contained in Resolution No. 1217-42 (Public), dated 11th July 1885, to applications for or acceptance of assistance towards private or semi-public objects.
