Read—

Home Department Resolution, No. 31—1217-42, dated the 11th July 1885.

Resolution—

In the resolution read in the preamble it has been laid down that no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or officials of Native States in pursuance of public objects, except with the previous sanction of the Local Government to which he may be subordinate.

2. An instance has recently come to the notice of the Government of India in which a public servant accepted a donation from a Native Chief towards a religious object in which he was specially interested. In the Resolution of 11th July 1885, applications for contributions to private or semi-public objects are not expressly condemned, but the objections upon which those orders are based apply with even greater force to such donations. The Governor-General in Council is therefore pleased to extend the orders contained in Resolution No. 31—1217-42 (Public), dated 11th July 1885, to applications for or acceptance of assistance towards private or semi-public objects.
