Read the following papers :—

No. 202. *Office note from Major C. H. P. CHRISTIE, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department; dated Madras, 19th June 1889, No. 859.*

With reference to para. 2 of the letter from the Government of India, Military Department, No. 594-MW, dated 21st March 1889, communicated with G.O., No. 1259 W., dated 13th May 1889, I beg to inquire whether the compensation in lieu of quarters admissible to Warrant Medical Officers on general or sick leave in India and drawing full pay is payable by the Public Works Department or by the Military Department.

2. The three-quarter compensation admissible to Warrant Medical Officers under Public Works Department Code para. 1209 is paid by the Military Department and is apparently intended to be so paid according to India Army Circulars, 1884, Clause 83, Para. 17, and Army Regulations, India, Vol. I, Part I, Article 1193. Presumably, therefore, the full compensation when claimable by a Warrant Medical Officer on general or sick leave in India is similarly payable in the Military Department. If this view is correct, the alteration required in Public Works Department Code para. 1209 will be to substitute for the second clause (regarding general or sick leave) words indicating that compensation claimable during general or sick leave in India will be paid in the Military Department and to cancel Standing Order No. 407 to Code para. 1214.
