4TH JULY 1889, No. 1762 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From E. COLLEN, Esq., Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st June 1889, No. 1245 M. W.

I am directed to acknowledge the receipt of the Resolution (enclosures returned) of the Government of Madras in the Public Works Department, No. 1225 W., dated 9th May 1889, relative to the adaptation of certain buildings in the fort at Vellore for the accommodation of two companies of Madras Infantry.

2. I am to state, for the information of the Governor in Council, that, under the explanation now afforded, the provision of accommodation for two companies of Infantry in the Vellore fort is approved, and the allotment of Rs. 3,490 provided for the work in the current year's Military Works budget estimate is accordingly passed. I am, however, to say that the Government of India consider the cost of the work is very high, and hope that it may be found practicable in carrying out the work to materially reduce the expense by omitting all non-essential alterations and improvements.

3. I am further to observe that the proposed arrangement of making all the barracks open on to a small courtyard completely enclosed by them seems open to serious sanitary objection; but on this point it is assumed that the responsible sanitary authorities have been consulted and have recorded their assent to the arrangement.

ORDER—dated 4th July 1889, No. 1762 W., Public Works.

Communicated, with reference to G.O., No. 1225 W., dated 9th May 1889, to the Superintending Engineer, V Circle, who will submit an early report on paras. 2 and 3 of the letter from the Government of India.

2. The sanction accorded by the Government of India has been registered as Imperial No. 5 W. of 1889-90 and classified a Military, Original Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Military Works.
Account.

READ—the following paper:—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General,
to the Secretary to Government, Military Department, dated Ootacamund,
25th July 1889, No. 2079 B.

With reference to G.O., Military Department, No. 3699, dated 6th ultimo, I
have been desired, by His Excellency the Commander-in-Chief, to submit the accom-
panying statement showing the proposed allotment of Rs. 20,000 included in the
Military Works budget estimate for the current year to be expended in the sanitation
of Native lines in this command.

2. Items 1, 2 and 3 are necessary for the completion of the Pioneer lines at
Bangalore. The money noted against item No. 1 has already been expended from
the grant from the Military budget for the construction of barracks and married
sepoys' huts, and will have to be refunded to enable the Officer Commanding, 1st
Pioneers, to finish these buildings. Item No. 4 is to cover part of the cost of deepening
Miller's tank at Bangalore, whereby the water-supply of the Madras Infantry
battalions occupying the east and west hutting lines in that station will be greatly
improved (see my letter No. 543 (Barrack), dated 13th ultimo, to your address).
Item 5 is for the improvement of the water-supply at Bellary, and, with items 6, 7
and 8, has been recommended for execution by the local Sanitary Committee, which
has been assembled to report on the lines at each station.

3. In regard to the orders contained in para. 4 of O.G., dated 1st May 1889,
No. 1159 W., Public Works, the Commander-in-Chief recommends that the whole of
the difference between the total allotment of Rs. 20,000 and the sum of Rs. 16,699
provided in the Madras Public Works budget be expended in the subsoil drainage of
the Secunderabad Native lines, a work which has been strongly recommended by the
Sanitary Committee assembled at that station. This amount may not be sufficient for
the completion of the work, but it will go a long way towards it, and any drainage
left undone for want of funds at the end of the current official year can be completed
next year from the grant for 1890-91.

4. The estimated expenditure on the above items being approximate only, a small
reserve of Rs. 617-9-8 has been entered, which, it is suggested, may be applied, if
necessary, towards the completion of any of the above works; should it not be required
for this purpose, it can be allotted later on in the year to an additional sanitary work.

5. In the remark column of the final issue of the Imperial Military Works estimate
for 1889-90, part I, class B works, item No. 4, "Improving the sanitation of the lines
of Native troops, Rs. 16,699," it is noted that estimates are awaited; in order,
therefore, to save time, copies of the proposed allotment will be forwarded to General
Officers Commanding Districts, with a request that they will cause the necessary
estimates to be submitted without delay.

OOTACAMUND,
25th July 1889.

(Signed) M. PROTHEROE, Brigdr.-Genl.,
Quartermaster-General.

No. 4998, Military.

Transferred to the Public Works Department with reference to O.G., No. 1159 W., dated 1st May 1889.

OOTACAMUND,
26th July 1889.

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

ORDER—dated 10th August 1889, No. 2155 W., Public Works.

With his letter above recorded, the Quartermaster-General submits a statement showing the distribution of the grant provided in the current year's Military Works budget for improving the sanitation of the lines of Native troops under the Madras Command. The distribution proposed is approved and the following allotments are accordingly sanctioned:—

	Rs.
(1) Provision of wells and drains in 1st Pioneer lines, Bangalore ...	2,687
(2) Completing the drainage of the Pioneer lines, Bangalore ...	6,450
(3) Provision of public latrines, Pioneer lines, Bangalore ...	945
(4) Improvements to water-supply, East and West Hutting lines, Bangalore ...	2,000
(5) Sinking a new well, North and South lines, Bellary ...	1,000
(6) New standard plan latrines, East Hutting lines, Bangalore ...	2,000
(7) Do. do. New lines, Trichinopoly ...	1,000
Total ...	16,082

2. As the above allotments amount to only Rs. 16,082 against the budget grant of Rs. 16,699, the difference Rs. 617 will be held in reserve with the Government to supplement the above grants, if necessary, or for allotment later in the year to any additional sanitary work.

3. As regards item No. (1), it is observed that the amount has already been expended from the grant provided in the Military budget for the construction of barracks and married sepoys' huts, and will have to be refunded to enable the Officer Commanding, 1st Pioneers, to finish those buildings. The Superintending Engineer, V Circle, will expedite the submission of an estimate for item (2). The approximate cost of the other items being within the Superintending Engineer's power of sanction, early steps should be taken to obtain the approval of the Military authorities to estimates for the works, which should be completed as early as practicable.

4. The Quartermaster-General will be requested to expedite the submission of detailed proposals for utilising the grant provided for the "Institutes of British Regiments and Batteries in the Presidency."

5. With reference to para. 4 of G.O., No. 1159 W., dated 1st May 1889, the Government of India will be requested to instruct the Resident at Hyderabad to make the necessary provision for the subsoil drainage of the lines at Secunderabad.

From T. M. HORSFALL, Esq., Registrar of the High Court of Judicature, Appellate Side, to the Chief Secretary to Government, dated Madras, 22nd July 1889, No. 1784.

I am directed to forward, for the sanction of Government, the accompanying plan and estimates, amounting in the aggregate, to Rs. 12,360, for the construction of the District Munsif's Court-house at Sompét, in the district of Ganjam.

ENCLOSURE.

From Major D. McNEIL CAMPBELL, R.E., Superintending Engineer, I Circle, to the District Judge, Ganjam, dated Dowlaishweram, 12th May 1889, No. 191 G.N.

With reference to G.O., No. 2673 W., dated the 29th August 1888, I have the honor to submit herewith estimates, amounting in the aggregate, to Rs. 12,360, for constructing a District Munsif's Court-house at Sompét, in the Ganjam district, and to request that you will be so good as to obtain the sanction of Government to the same.

2. The estimates have been prepared agreeably to the standard design sanctioned in G.O., No. 1098 W., dated 21st April 1887, and the only deviations from it are—

- (1) The substitution of sál for teakwood.
- (2) Rough stone in chunam for brickwork.

The former deviation is due to the scarcity of teakwood in the district, and the latter to the request contained in your letter No. 629 of the 6th February 1889 to the Executive Engineer.

3. The following plans accompany the estimates:—

- 1 Site-plan.
