READ—the following paper :—

From T. M. HORSFALL, Esq., Registrar of the High Court of Judicature, Appellate Side, Madras, to the Chief Secretary to Government, dated Madras, 28th August 1889, No. 2119.

I am directed to forward, for the sanction of Government, the accompanying fresh plans and estimates, amounting to Rs. 13,800, for constructing a District Munsif's Court-house at Amalapuram in the Godavari district.

2. I am to say that the estimate for the work sanctioned in G.O., dated 25th September 1877, No. 778 W., has become obsolete on account of a new type design for court-houses having been circulated with G.O., dated 21st April 1887, No. 1098 W.

ENCLOSURE.

From Major D. McNEIL CAMPBELL, R.E., Superintending Engineer, I Circle, to the District Judge, Godavari District, dated Dowlaishweram, 2nd July 1889, No. 877 G.D.

I have the honor to forward herewith plans and estimates, amounting to Rs. 13,800, for constructing a District Munsif's Court-house at Amalapuram, and to request that you will be so good as to obtain the sanction of Government to the same as early as possible. The estimate has been prepared agreeably to the standard design sanctioned in G.O., No. 1098 W., dated the 21st April 1887.

2. An estimate for the said work for Rs. 13,410 was sanctioned in G.O., No. 778 W., dated the 25th September 1877, but the work was not put in hand owing to want of funds, and this estimate is now obsolete on account of a new design for court-houses having been sanctioned in Government Order quoted in the 1st para.

3. It will be observed from the report which accompanies the estimate that rubble in mortar is substituted for brick-work provided in the standard design, and this is done as the rubble-work is cheaper and likely to be more lasting than brick-work.

4. A plan of the site selected is herewith sent, and it has been approved by the District Munsif at Amalapuram. The site plan sanctioned with the estimate in 1877 is not to be found, hence the cause of selection of a new site.

5. An allotment of Rs. 9,000 has been provided for this work in the current year's budget, and unless the sanction to the present estimate is received soon this sum cannot be utilized and will have to be relinquished.

Approved and transferred to the Public Works Department.

The P.W.D. Secy. contributed very much
in full time, 18 days. I suppose
it is the best. But the High Court
when it is desired to hear, but the
case seems hardly bad enough to
make a row about. The District

probably heavy business work
in July, which will be very busy.

The great delay
which has occurred
in sending on the estimate
for the District Munsiff's
Court at Amalapuram
is brought to the notice
of the Hon. Members.

The documents were
forwarded by the Super-
Engineer to the District
Judge on the 2nd July 1889.
It does not appear how
long they were with the
latter officer, but the
High Court did not
send them on to Govt.
until the 28th August.
On the 11th Sept. they were
transferred by the
Judicial Dept to the
P.W. Dept. & reached
the latter Dept on

The 13th Sept.

The last para of the
Supy Enr's letter of 2nd July
1889 should have been
attended to by the full
authorities.

When such delays
occur, it is submitted
that the P. W. Dept. cannot
be blamed for failing
to utilize allotments
provided in the budget.

NOTE OF REMARKS

1. The plans and estimates
under revision amounting
to Rs 13,800 provide for
constructing a District
Municipal Court house at
Amalapur in the Godavari
District.

The amount of Rs 13,800
is divided as follows:-

Main building	Rs 10,680.
Gate & pillars	82.
Boundary wall for a length of 10 ft.	38.

Total Rs 13,800.

2. The plan & estimate have
been prepared agreeably
to the Standard design
sanctioned in G. O. No. 10980
of 21-11-1889.
3. An estimate for the said
work

10

10

work for ~~the~~ 13410 was sanc-
tioned in G. O. No 778 of 7-25-9
but the work was not put
in hand owing to want of
funds & this estimate is now
obsolete on account of a
new design for Court houses
having been sanctioned in
G. O. quoted in the 2nd
para.

4. The slight changes from
the standard estimates
will be as follows:—

Rubble in mortar is substi-
tuted for brickwork pro-
vided in the standard
design & it is stated
in the S. E.'s letter that this
is done as the rubble work
is cheaper and likely to be
more lasting than brick
work.

5. Report & specification
are submitted.

6. A plan of the site selected
is submitted & it has
been approved by the
Dist^l Munsiff at Amala-
pur. It is stated that
the site plan sanctioned
with the estimate in 1897
is not to be found hence
the

the cost of destruction of a
new site.
