OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.

Trichinopoly 7th August 1889

No. 434 ND-

From Lieutt. Col A.C. Smith R.E.
~~The~~ Superintending Engineer,
6th Circle.

To
The Chief Engineer,
P.W.D.
Madras.

Sir, Adverting to your memo No. 1752C 4-4-89 I have the honor to submit herewith a plan and Estimate of Rs. 830 for demolishing the Police Superintendent's Office at Madura.

ENCLOSURES. 3
1 Plan
1 Report.
1 Estimate.

2 The Collector has no objection to the temporary occupation by the Police Superintendent of a portion of the Palace, but the latter Officer finds that the rooms allotted for the office are not at all suitable. He also informed the Executive Engineer that he has Rs 2,000 worth of Clothing and other Stores and does not consider the rooms in the Palace, all of which are practically open, (the top of the railing being only 8 ft above the floor) to be a safe place

to

to keep property which is valuable and
easily transportable.

3 So under the circumstances
the Superintendent of Police prefers to
remain in the present building,
- although it is condemned as unsafe -
for the demolition of which this Esti-
- mate is prepared.

I have the honor to be,
Sir,
Your most obedient Servant
A Smith Lieut Col R.E.
Superintending Engineer III Circle.

Sir,

ENCLOSURES.

With reference to your Memorandum No. 703 D of 16th instant, I have the honor to inform that as the Superintendent of Police declines to enter the Palace as there is no place therein in which he can safely store the clothing &c for the Police, it is not likely the Collector would allow valuable records to be placed in these rooms. They are all more or less open above the screen walls and would be very unsafe.

I have the honor to be
