11TH SEPTEMBER 1889, No. 564, EDUCATIONAL.

GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated Madras, 26th August 1889, No. 7252.

On the abolition of the Government Middle School, Periyakulam, the school building was made over to the manager of the Middle School in the locality on a monthly rental of Rs. 4-8-0 and on the conditions set forth in my Proceedings, dated 16th September 1884, No. 6786. The monthly rent was fixed by the Executive Engineer at Rs. 9 per mensem, but as this was considered by the manager of the school too high, and as no one else came forward to take up the building, which had been erected partly by public subscription, at a rent higher than that offered by the manager, I agreed to rent the building at the lower sum offered. The rent has been paid regularly every month.

2. The manager, in his letter, dated 9th May 1889, No. 59, requests that he may be relieved of the rent now paid for the building, which amounts to Rs. 54 per annum. Considering the small income derived from fees, this item of expenditure is no doubt a matter of some importance to the manager. The Inspector of Schools, Southern Circle, recommends that the building be given to the school, free of rent, on condition that it is kept in good and thorough repair, and that it is handed over to the department when required. To the latter condition I would add that it be handed over to the department, when needed, on six months' notice. The above are the conditions on which the Madura college building was handed over to the Native High School Committee.

3. The Hindu High School, Periyakulam, has been doing some useful work, and is likely to produce better results with a well-qualified teaching staff and more careful management. I beg to recommend that the manager's request may be complied with on the conditions above stated.

ORDER—dated 11th September 1889, No. 564, Educational.

The proposals of the Director are sanctioned.
