CIRCULAR N. 42 of 1889.

From

MAJOR C. H. P. CHRISTIE, R.E.

EXAMINER OF P. W. ACCOUNTS, MADRAS.

To

ALL EXECUTIVE ENGINEERS

Madras, 12th September 1889.

THE following is forwarded to all Executive Engineers for information.

C. H. P. CHRISTIE, Major, R.E.,
Examiner, P. W. Accounts, Madras.

Copy of letter from the Examiner of Public Works Accounts, Madras, to the Executive Engineer,
Dowlaiswaram Workshops, No. 58-S. E. I., dated 26th August 1889.

With reference to your remark, dated 17th July 1889, in the "list of claims against and dues to Government of piece-workers outstanding for more than three months" for April 1889, to the effect that a notice has been sent to the District Gazette to the effect that if the piece-worker does not turn up to receive payment before the 31st August 1889 the amount will be forfeited to Government, I have the honor to point out that such notices do not bar a creditor's claims, and are consequently of very little use.

2. The claims of contractors and others can only be barred by expiry of the period of limitation as prescribed in the Indian Limitation Act, and as stated in the notes to code paras. 1750 and 1828 for laborers and contractors respectively, and if you think it worth while to continue the publication of such notices in the Gazette you should, I think, take care that the legal limit of time is not reduced.

3. I may mention that a *bona fide* piece-worker is a laborer, and that the rule in code para. 1750 applies in his case; but if the so-called piece-worker is really a contractor and employer of labor the case is governed by code para. 1828.
