GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper :—

G.O., dated 26th September 1889, No. 584, Educational.

Endorsement of the Public Works Department, No. 823 D., dated 6th September 1889, transferring the following letter from the Superintending Engineer, VI Circle, No. 1150, dated 26th August 1889.

From Lieut.-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Perungulam, 26th August 1889, No. 1150 T.J.

I have the honor to submit, for favorable consideration, a petition from Nagoba Row, Superintendent of the Pandaviar and Velliar head-works in the Negapatam division, for exemption from the examination rules, in order to enable him to draw the full pay (Rs. 20) of the appointment which he holds.

2. Nagoba Row has been more than 22 years altogether in Government service, and has been in charge of the Coriyar and Pandaviar head-works for the last 10 years and upwards.

3. Nagoba Row holds his present appointment since 1884, but draws only Rs. 15, as he has not passed the required examination, although the sanctioned pay for the post is Rs. 20.

4. All the Sub-divisional officers and Executive Engineers under whom he has served have recommended him specially. Messrs. Inglis and Manson have spoken very highly of Nagoba Row's usefulness and hard work, and strongly recommended his exemption. Lieutenant Ellis and Mr. Norfor, the present Sub-division officer and Executive Engineer, have both specially recommended him for the very satisfactory way in which he carries on his duties. Nagoba Row has a fair knowledge of English though he signs his name in Tamil.

5. On my inspection of the head-works in question at the end of last month I was quite pleased with the works, which were in good order and well kept by the Superintendent, who seemed active and intelligent. I observed him taking velocities. In fact, Nagoba Row seems to be above the ordinary class of maistries and a very useful hand, who has been doing the work of the appointment satisfactorily for *more than* 10 *years*.

6. There is certainly great difficulty in obtaining qualified individuals for appointments of this kind. Raw youths who have passed Middle School or Entrance examination do not possess the required qualification.

7. Nagoba Row's claim for exemption may properly be treated as a special case, as defined by the Director of Public Instruction in para. 1 of his letter printed in G.O., No. 1915 W. of 7th August 1884.

8. Under the circumstances stated above, I am strongly of opinion that Nagoba should be allowed to draw the full pay of his appointment if he cannot be entirely exempted from the required examination.

Order—dated 26th September 1889, No. 584, Educational.

V. Nagoba Row, Superintendent, Pandaviar and Velliar Works, is exempted from the Middle School examination, only so far as his present appointment is concerned.

2. It is observed that when V. Nagoba Row was appointed to his present post, which carries a pay of Rs. 20 *per mensem*, he was by reason of the examination rules then in force ineligible for the appointment. The practice, as illustrated in his case, of appointing unpassed men on reduced pay to posts for which an examination is prescribed is irregular, and should not be permitted to continue.

Communicated to the Superintending Engineer, VI Circle, with reference to his letter No. 1150 T.J., dated 26th August 1889.

2. With reference to para. 2 of the order in the Educational Department, the attention of all officers of the Public Works Department will be drawn to the note to para. 172, Public Works Code (S.O., No. 172 of 1887.)
