GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper:—

Office Note from the Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 27th August 1889, No. 1239.

Under the revised rules for landing and shipping stores approved in G.O., No. 119, Marine, of 25th March 1889, and communicated with G.O., No. 1043 W., dated 15th April 1889, departments requiring to ship stores are required to forward to the Agent for Government Consignments "shipping bills" and "bills of entry" in the forms (A and B respectively) prescribed by those rules, and the Presidency Port Officer, on being asked to state the source of supply of these forms, informed me that they should be obtained from the Government Press.

2. The Superintendent of the Government Press states that the forms are not kept in stock in the Press office, and that they will only be printed and supplied on requisitions in the usual manner.

3. As the forms prescribed will be required by perhaps almost every department in Madras, but each department will require only a comparatively small number of them, it seems to me that it would be a waste of money for each department to print its own forms, and I would therefore suggest for the consideration of Government the desirability of the forms being kept and supplied either by the Government Press or by the Presidency Port Officer.

No. 800-D.

Endorsement on the above.

Transferred to the Marine Department for consideration.
