5TH OCTOBER 1889, No. 2779 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From Lieutenant-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Cumbum, 19th September 1889, No. 573 T.N.

I have the honor to request early sanction to the following modification of budget allotment under Provincial, Civil Buildings, in the Tinnevely division:—

From	rs.	To	rs.
<i>Original Works, Major.</i>		<i>Original Works, Minor.</i>	
1. Tahsildar's office at Srivaikuntham—item No. 18, class A, budget of 1889-90 from Rs. 15,940	5,000	2. Constructing verandahs to blocks Nos. 4-B and 5-B of solitary cells in the District Jail, Palamcottah—estimate Rs. 2,050, sanctioned by the Superintending Engineer on the 24th July 1889 in R. No. 8 of 1889-90	2,000
		3. Reconstructing compound wall of the Taluk outcherry at Nanguneri—estimate Rs. 1,540, sanctioned by the Superintending Engineer on 6th June 1889, R. No. 6 of 1889-90	1,540
		4. Repairs, Civil Buildings, lump sum	1,460
		Total	5,000

2. *Item No. 1.*—From the grant of Rs. 15,940 only Rs. 1,494 were spent up to the end of August. The work has been from the beginning of the official year in a very backward state owing to the neglect of the contractor and the mistake made by the Sub-divisional officer, Mr. Ellis, in the matter of doors. It is not likely that the large balance still remaining will be fully utilized by end of March next; it is therefore proposed that a portion, Rs. 5,000, of the grant be transferred to some of the sanctioned works in the division, which remain uncommenced for want of funds.

Items Nos. 2 and 3.—These were sanctioned by the Superintending Engineer, but the current year's grant for minor works would not admit of their being put in hand. The works sanctioned are necessary, and can be carried out from the sum surrendered from item No. 1.

Item No. 4.—An estimate of Rs. 1,600 has been lately sanctioned by me for certain repairs to the Executive Engineer's office at Palamcottah. On my recent inspection of that office I found these repairs necessary, but the current year's grant under repairs (Rs. 1,500) is not adequate to meet the outlay. It is therefore proposed to transfer Rs. 1,460 to this head from item No. 1.
