Sir,

LOSURES #

The Inspector General of Registration
in a letter dated 6th Instant, No: 2806, brings
to my notice the urgency for early construction
of the Sub Registry Office at Vilattukulam
in the Pinnerelly Division, as the Sub Regis-
trarian finds it very difficult to hold his office
in the present room, which is not spacious,
and as the parties also are put to much inconvenience
thereby.

thereby.

2. In the current year's Budget Rs. 15,000⁺ are allotted for constructing Tahsildar's Office at Tirumangalam. As the revised Estimate of Rs. 23,14 for this work has been sanctioned only lately in G. O. No: 2201^W of 14th August 1889, and as the working season has partly expired, the Executive Engineer does not expect to utilise during the year more than Rs. 8,000. The Contract for the work

has

has just been entered into, as may be observed
from the report submitted in this Office No 584 13-9-89

3. I request therefore early sanction to ^{* Rs: 10 having been already spent on account of the site.}
the transfer of Rs 2950 to the Sub Registrar's Office at Vilatikulam, for which an estimate of Rs: 2970 was sanctioned in G. O. No. 3513 D of 15. November 1888, from the sum of Rs: 5000, available from the grant for the Taluk Office at Tirumangalam abovementioned. I shall propose shortly the reappropriation of the balance.

4. Pending sanction to the above transfer, the Executive Engineer, Tinnevely Division, has been ordered to arrange for proceeding with the work.

I have the honor to be
Sir

Your most obedt. servant

Edmund St. John
Superintending Engineer.
