(Accounts and Finance—Rules and General Matters), dated Simla, 19th

Resolution in this Department, No. 1163, dated the 8th February 1862.

Resolution—Under the Resolution read in the preamble, the substance of which has been reproduced in rule 11, chapter 76, of the Civil Account Code, vol. II, heads of Account offices in the Civil and Military Departments have the power to write off irrecoverable sums not exceeding one rupee without reference to Government. The Governor-General in Council has decided to extend the powers of Account officers in dealing with irrecoverable sums of public money as laid down in the following rule:—

Any of the officers named on the margin has power to write off, without reference to higher authority, sums, not exceeding one rupee in each case, which from any cause may have become irrecoverable or in his judgment are such as should be passed, though not covered by ordinary rule. He may also write off similar sums, above one rupee and not exceeding ten rupees in each case, when he is satisfied that Government would on reference sanction such a course; but he must report these items, in excess of one rupee, in half-yearly statements for the periods ending 30th June and 31st December to be rendered to the Provincial Government for Provincial items and to the Government of India for Imperial items.

A register will be kept in each Account office for these items, showing (1) the account in which the item is charged; (2) its description; (3) amount; (4) reasons for admitting the item; and (5) the order and signature of the head of the Account office. The half-yearly statement to be submitted to Government will be an extract from this register of the items exceeding one rupee.

Order—Ordered that this Resolution be communicated to the several Local Governments and Administrations; to the Military and Public Works Departments; to the Director-General of the Post Office; to the Comptroller and Auditor General; and to the several Accountants-General and Comptrollers.
