To

The Superintending Engineer
V Circle.

Sir,

With reference to your endorsement No. 1977 dated 21st Ultimo herewith returned, with the Sub Divisional Officer's remarks thereon, I have the honor to state that I quite agree with the latter Officer in considering that the services of an additional Clerk are indispensable in the Bangalore Sub Division, for check of the endless petty requisitions received there, and the preparation of the Estimates and Contractor's Bills in connection with them.

2. It is a feature of most, if not all, of such requisitions that they are considered "Urgent" by the Military Authorities, and they very often are so in fact; and it

would

would be a great calamity if such references got into arrears for the sake of Rs 20 per mensem or Rs 240 per annum. I have no hesitation in saying that rapidity in the execution of repairs and in making payments for them is sound economy even at the expense of an extra clerk.

3. Of course his classification as a maistry was highly irregular, I therefore forward herewith a Proposition Statement for his entertainment as a clerk on Rs 20 per mensem and I beg that you will be good enough to forward it for the sanction of Government.

I have &c.

(Sd) B. De Winton.

No. 2797 A

From
Colonel W. H. Burton R.E.
SUPERINTENDING ENGINEER, V. CIRCLE,

To
THE Chief Engineer
P. W. Department

SIR,

Enclosures. 2
1 Statement of Proposition
1 Ex: Engr's letter No 484 S.E. 7/15th July 1899

I have the honor to forward a Statement of Proposition from the Executive Engineer Presidency Division for the increase of the temporary Office Establishment at present employed in his Division by two Clerks on Rs 20 each.

2. Four men whose pay has been charged to works as Maistries have for some time been employed, three as Clerks in the Executive Engineer's Office and in the Sub Divisional Office at Bangalore and one as Draftsman in the Military Sub Division Office Madras.

I have put a stop to the employment of these men in these Offices, the practice being irregular, and hence the present application for two extra temporary Clerks - one for the Executive Engineer's Office and the other for the Sub Divisional Office at Bangalore, I enclosed Copy of the Executive Engineer's letter regarding the necessity for these extra clerks & from my own personal knowledge of the amount of Office Work in the Presidency Division I wish to support the Executive Engineer's Application.

The Work in the Presidency Division Office is so heavy that it is found impossible to have all the Office duties heretofore performed by the Maistries apportioned to the already over-burdened clerks.

I have the honor to be
Sir,
Your Most Obedt. Servt.
