Captain W. L. C. Baddeley, R.E.
Mr. Mirza Mehdy Isphani.
Mr. Cowasjee Eduljee Panday.

Read the minutes of the proceedings of the last meeting held on Tuesday, 27th August 1889.
Read memo. by Captain H. A. Street, H.M.'s I.M.
Confirmed with the modification suggested by Captain Street.

2. Examined and discussed Statements of Estimated Receipts and Charges of Port Fund for the year 1890-91.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper.

Agc in lpo. No. 384. d/1 July 1889.

Read also the following letter from the Director of Public Instruction Madras, d/20th August 1889. No. 6990.

With reference to lpo. No. 384. d/1 July 1889, I have the honor to submit for the approval and sanction of Government, a draft Notifica marked A embodying the changes in article VII of the Rules of the College of Engineering regarding the admission of Draftsmen in the service for first and second class certificate. With reference to the concessions accorded in the lpo. referred to above, Captain Love points out that it is scarcely consistent to allow a second class certificate holder to appear for a first class certificate, and to preclude a third class certificate holder from appearing for a second class certificate. This inconsistency would be avoided by adopting

adopting the alternative draft Notification
(marked C) submitted.

2. Draft Love also suggests
that the examination fee for Surveyors,
as fixed for by Article VII (a) and (b)
be reduced from Rs 15 to Rs 10 so as
to assimilate it to that for Draftsmen.
The reduction is reasonable, as throughout
their collegiate course the Surveyors
and Draftsmen are on the same footing
and as the matriculation qualification
for admission, the school fees, scholar-
ships and the duration of course are
the same. There appears, therefore, no
sufficient reason why the same rate
of examination fees should not be
afforded.

Resd. also endorsement
of the P. W. Dept., No 818 D. 11.5. Sept
1889, stating that there is no objection
to the changes proposed by the Director
of Public Instruction in Article VII of
the Civil Engineering College rules.

Order, 11 September 1889, No 569.

The proposals made in the
foregoing letter are approved, and the
draft notification with the form
marked

marked C substituted for that marked
A will be published in the Fort Saint
George Gazette.
