Note.

Under Code para 909  
all repairs to buildings  
generally, which exceed  
one-fourth of their book  
value, are to be classified  
as Original Works.

Paragraph 5 of the  
Report by the Super Engineer  
II (which which accompanies  
the Estimate, states that  
the building was constructed  
in the year 1875 at an outlay  
of Rs 8000/- Consequently  
one-fourth the book value  
of the building will be Rs  
2000/- but as the  
Estimate (Rs 2720/-)  
exceeds that amount, it  
requires the sanction  
of Government.
