25TH SEPTEMBER 1889, No. 1107, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Superintendent, Madras Survey, dated 5th August 1889, No. 205-A.

ABSTRACT.—Submitting an application for pension on behalf of Sundralingam Alwarappa Pillai, late Storekeeper, No. III Party, Madras Survey.

Certificate and report from H. HARRISON, Esq., Assistant Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 28th August 1889, No. A.D.J.-378.

Certified that qualifying service in superior grades has been duly proved for 21 years 4 months and 3 days and that an invalid pension, not exceeding Rs. 10-8-0 per mensem, equal to $\frac{3}{8}\frac{1}{0}$ average emoluments, is admissible under articles 485 and 518 (*b*) of the Civil Service Regulations. The calculations have been duly verified.

2. The applicant ceased to be borne on the establishment from the 26th June 1889, whereas the application for pension is dated the 23rd July 1889. It rests therefore with Government to decide the date from which the pension should be made payable with reference to article 1013 of the Regulations.

3. In accordance with, rule 3 under article 994 (*b*), the attention of Government is respectfully solicited to article 514 of the Regulations.

ORDER—dated 25th September 1889, No. 1107, Pension.

2. With reference to paragraph 2 of the Accountant-General's report it is observed that the application in article 1013 refers to that which is submitted under article 988 by the applicant and not to the one prepared in the regular form prescribed in the Civil Service Regulations. In the present case there is nothing to show the date of the application required by article 988. It has, however, been the practice in this Presidency to dispense with any formal application from a retired or retiring officer, the application in the prescribed form being submitted, as a matter of course, by the head of the office. Having regard to the object of article 1013 and the power given under it to the Local Government, His Excellency the Governor in Council is of opinion that there is no objection to pensions in this and other cases being paid from the date of retirement. Heads of offices will, however, be directed to see that in future no applicant's name is removed from the active list until the application required by article 988 is recorded.
