dated Simla, 12th September 1889, No. 342.

CORRIGENDUM.

Substitute the following for Rule V, Part I, of the Revised Ecclesiastical Rules
promulgated by Home Department Notification, No. 103, dated the 20th June
1885 :—

The officer who has charge of the cemetery under the operation of Rule I will perform
all the duties assigned to the Chaplain by rules VII, VIII, IX, X and XI, with the exception of
the approval of designs of tombstones and of inscriptions to be cut on them. In the case of a
tombstone in that part of the cemetery which is reserved for the Church of England, the proposed
design and inscription must be forwarded to the Resident or Visiting Chaplain, or, if there be
none, to the Archdeacon, and no action taken to erect the monument till his sanction has been
obtained. In all other cases the design and inscription must be approved by the Minister of the
particular denomination to which the deceased belonged. Should there be no Resident or Visiting
Minister of that denomination, the inscription and design must be approved by the Senior Minister
belonging to it in the province, or, if there be none, then by the Local Government or Administra-
tion. Should a design or inscription be disapproved, it may be referred, if those who are interested
desire this, through the Ecclesiastical superior of the denomination concerned, to the Local
Government or Administration, for decision.
