Proceedings of the Board of Revenue (Land Revenue), dated 23rd August 1889,
Mis. No. 5084.

THE HON. J. GROSE, M.A.

Read—the following letter from W. G. UNDERWOOD, Esq., Collector of Anantapur,
to the Secretary to the Commissioners of Land Revenue, dated Anantapur,
10th July 1889, B.D. No. 6 :—

With reference to Board's Proceedings, Mis. No. 3145, dated 28th May last, communicating Government Order calling for certain information in connection with the alterations to be made to the old Huzur and Taluk cutcherries at Anantapur, I have the honor to state that the Inspector-General of Registration has approved of the accommodation provided for the Sub-Registrar's office and suggests certain modifications in the interior portion which will be communicated to the Superintending Engineer, Bellary, for taking necessary action when the proposed alterations are executed.

2. The Local Fund and Municipal Boards have also approved of the portions allotted to their offices, but the former suggest also that the accommodation will be quite sufficient if the flat-terraced verandah close to their office be enclosed. This will be carried out by the Public Works Department as the Board are prepared to pay the cost.

3. Both the Boards have agreed to pay the cost of the repairs, but not the rent, and the Municipal Board have also agreed to pay the municipal assessment. Under such circumstances, I am of opinion that they may be allowed to occupy the allotted portion without payment of rent on condition that they would vacate when required by Government. The building is a very large one, and there are no other public offices here to occupy it.

4. The plans and estimates received with the above Board's Proceedings are herewith returned.

Resolution—dated 23rd August 1889, Mis. No. 5084.

Submitted to Government with reference to G.O., dated 10th May 1889, No. 2985.

2. Under the circumstances reported in the concluding portion of para. 3, the Board consider that the Local Fund Board and the Municipal Council may be permitted to hold their offices in the portion allotted for the purpose on the conditions stated.
