OFFICE NOTE No. 1437.

To

W.

With reference to G.O.No.2644 W dated 21st. September 1889 sanctioning the expenditure on an estimate of Rs. 320 for "fitting moules patent earth closets at Government House Ootacamund," to be met from the savings on item No.7 of the general estimate for that building, I beg to point out that considering the terms on which the Government of India reluctantly sanctioned the general estimate for completing etc. Government House Ootacamund, vide paras 3 and 4 of its letter No.2779 dated 21st. August 1883 (communicated with G.O.No.2459 W. dated 3rd. September 1883), its sanction is in my opinion necessary for the utilisation of general savings on the estimate for a purpose not contemplated when that estimate was originally framed and sanctioned. 3

small estimates against the

Dota accounts should in each
case be submitted for the

In the opinion of this Govt.

so long as the general estimate
is not exceeded.

2. The statement embodied
in Proceeding N^o 2384 W of 29th Augt
