OFFICE NOTE No. 117/

Execd. bound book

To .

W.

I send herewith, for your inspection, a manuscript leather bound book containing the minutes of the Proceedings of the Board of Revenue in the P.W.D. for March 1853. There are in this office 290 such books for the years 1828 to 1855. They serve no useful purpose here, but are on the contrary a very serious incumbrance to me.

2. I do not think there is the smallest probability of their ever being of any use to anybody in this department, and as far as I am concerned they might be destroyed. Before destroying them however, a reference might perhaps be made to the Board of Revenue, and if it is considered that they should be preserved, I would request permission to transfer them either to the Board of Revenue or to the general record department in Fort Saint George.
