PUBLIC WORKS DEPARTMENT.

READ—the following papers:—

ORDER—dated 23rd June 1886, No. 1594 W., Public Works.

2. The demands under Repairs and Tools and Plant, and the allotments sanctioned against them, are shown in statement A. The demands under Communications and Miscellaneous Public Improvements being in excess of the budget provision under those heads, a sum of Rs. 25,080 has been transferred from the budget provision under Civil Buildings, viz., Rs. 13,080, to the grant under Communications, and Rs. 12,000 to that under Miscellaneous Public Improvements. The provision under these heads will now stand as below :—

and the demands under Tools and Plant have been so reduced as to bring the total sum within the budget provision, Rs. 50,670.

3. The budget provision under Repairs amounts to Rs. 2,91,055 and the difference between that sum and the allotment now made is Rs. 41,355, which has been resumed and added to the Provincial reserve.

* G.O. No. 1234-A W., dated 14th May 1886	Rs.
" " 1429 W., " 7th June "	17,000
" " 1565 W., " 21st " "	7,200

	379
Total	27,659

4. The provision in the budget under reserve was Rs. 1,77,174, but subsequent appropriations* have reduced the sum to Rs. 1,49,515. The total sum now available for distribution for incomplete and minor original works will amount to Rs. 1,91,306, as detailed below:—

Reserve balance	Rs.
Transferred from repairs	1,49,515
Surrender from budget grant (vide remark against item No. 111)	41,355
	436
Total	1,91,306

5. Under Original Works the demands amount to—

Incomplete minor	Rs.
Do. major	5,317
Do. registration	1,91,928
Do. police	8,123
	9,592
Total incomplete works	2,14,960
New minor works	
Do. major do.	36,841
Do. registration works	1,25,563
Do. police works	9,917
	15,950
Lump sum of minor works	
Total new works	1,88,271
	38,160
Total demand	4,41,391

but the demands made by the Superintending Engineer, I Circle, include many works for which funds have already been provided in the budget. The total of such demands amounts to Rs. 1,04,705. Provision is also made in the budget for completing "the 12 solitary cells in the Madras penitentiary," for which the Superintending Engineer, V Circle, has included a demand of Rs. 3,887. And the demands of the Superintending Engineer, IV Circle, include provision for "fencing Ootacamund lake with barbed wired," for which funds have already been sanctioned (vide G.O., No. 1429 W., dated 7th June 1886). Deducting the amounts referred to above, the actual demands will amount to Rs. 3,25,599.

6. The allotments sanctioned under Original Works are shown below:—

Incomplete minor	Rs.
Do. major	4,769
Do. registration works	61,859
Do. police works	4,551
	9,592
Total incomplete works	80,771
New minor works	
Do. major do.	19,865
Do. registration works	49,656
Do. police	5,995
Total new works	75,516
Lump sum allotment for minor works as per statement A	32,365
Total allotment	1,88,652

7. The demands made for grants in addition to allotments already provided in the budget have not been complied with for want of funds at present. In such cases application for additional funds, if necessary, should be made later in the year.

8. In the case of new works grants have been provided for those works only the urgency of which has already been brought to the notice of the Government and for which provision of funds was promised to be considered in disposing of the demands on account of incomplete works.

9. Funds have been provided for the completion of all the incomplete works brought forward by Superintending Engineers, excepting in cases in which revised estimates are required.

10. The Superintending Engineer, IV Circle, applies for a sum of Rs. 11,752 for completing "the close cellular prison at Coimbatore." This work should have been included in the Superintending Engineer's budget estimates, and it is with inconvenience that provision has been made for this large demand from the small reserve intended for such of the incomplete works as were expected to be completed in 1885-86, but were not completed owing to unforeseen causes.

Read—the following letter from W. A. WILLOCK, Esq., Acting Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated 8th February 1886, No. 144 :—

I have the honor to submit, herewith, a plan and estimate, amounting to Rs. 1,400, for improvements to the sub-jail of the deputy tahsildar's cutcherry at Vizagapatam, forwarded to me by the Superintending Engineer of the I Circle.

2. The present roof of the sub-jail is of country wood rafters and reepers, many of which have decayed. The walls are so low that prisoners can easily reach the roof from the sill of the windows, pull off the reepers and tiles and make an easy way of exit. It has been brought to notice that about a year ago one prisoner escaped, while another made an attempt to do so in this way. It is now proposed to raise the walls to a total height of 16 feet, and to put on a new tiled roof on teak-wood couples.

3. I therefore request that sanction may be accorded for making these improvements to the sub-jail.

4. The work, if sanctioned, will be executed by the Department of Public Works.

Sir

I have the honor under
P. W. Code para 1033 to request the favor
of your obtaining the sanction of Govt
for the demolition and sale by public
auction the materials of the old Deputy
Tahsildar's office at Vizagapatam.

In G.O. No 1437 W of 14th June /86
an Estimate amounting to Rs 1400 was
sanctioned for improvements of the Sub
jail and funds were allotted in G.O. No
1594 W of 23 June /86 but the improve-
ments were not carried out at the
request of the Collector (as reported
in this office No 338 of 14 June /86)
who applied to the Board of Revenue
to obtain the sanction of Government
for constructing a new Building on
the sanctioned standard design.

3 The building was vacated by the Deputy Tahsildar, as unsafe for occupation in June 186. The walls and roof of the building are in a dangerous condition and should be dismantled without delay.

4 The Collector is of opinion that the site should remain in possession of Government in view of great enhancement in the value of land which will result if the proposed railway is constructed to Vizagapatam.

5 Copy of Collector's letter is enclosed.

Sir,

Referring to your letter No. 1154 of the 23rd ultimo, I have the honor to state that I see no objection to the old Deputy Tahsil-dar's office building at Vinagapatam being demolished. We have already selected a site opposite to the Normal School for the new one, but I think that the old site had better be retained in the possession of Government for the present in view of the great enhancement in the value of land which will follow the commencement of railway works. The roof and so much of the wall of the old building as is dangerous might be removed for the present.
