Copy of letter from W. Hughes Esquire,
Executive Engineer, Madras Division, to
the Superintending Engineer VI Circle,
No. 368. S.E. dated 5th October 1889.

I have the honor to inform you that while out in camp at Palni about the end of last month, I lost a currency note for Rs. 20 enclosed by Contractor Shinnakristna Pillai with his tender for Tutthukulam and Sentkulam tank as earnest deposit.

2. I cannot exactly say how it was lost possibly it got mixed up with waste paper and escaped notice.

3. The loss of the note has been duly reported to the Accountant General and the Treasury Officer, Madras and to make the Cash balance, I have as a temporary measure paid Rs. 20. of my own.

4. As there is every possibility of the note being traced, they to be informed whether it will be

permissible

permissible to keep the amount at debit
of "Miscellaneous Advances."

/ Sgd/ Dr. Hughes
Decc. Engineer

No 759 m.d.

Submitted, through the Examiner P.
Dr. accounts, to the Chief Engineer, P.W.D.
for favor of orders.

2. The loss of note appears accidental
and the Superintending Engineer considers
the Deccan Engineer's request reasonable.

Reporting the loss of
a currency Note for Rs 20
& requesting to be informed
whether the amount
be debited to "Miscella-
neous Advances".

Read the following:-

From the Supt. Engr. W Circle No: 759md
dated 8th October 1889.

From the Examiners P. W. Accounts
No 1524 dated 28th October 1889.

FOR ORDERS.

The Supt. Engineer
Considers as the loss
as "accidental" & that
should be called upon
to provide for it. There
should be no accident,
so called, in dealing
with public money.

To pay in this case would be
a premium on accidents.
I am no friend to the S. E.'s
argument & would reject the
application without discussion.
