No 1691 P.R.

325-6

Letter from H. S. Taylor Esquire,
Executive Engineer, to Periyar Division
to the Superintending Engineer,
Periyar Project, dated Periyar, 18th
September, 1889 to 1889. Lr.

I have the honor to request you
will be good enough to apply for
necessary sanction to include the
Executive Engineer and assistant
Engineers, to 1 Periyar Division
in appendix 26 of the Civil Service
Regulations for the grant of a
monthly conveyance or Horse
allowance.

The staff has a good deal of
space to traverse daily in inspecting
works &c. that horses are necessarily
maintained for the purpose and
it is observed from the appendix
quoted that conveyance allowance
has been granted to certain
officers

officers of the Department whose claims cannot be more special than they are here.

(Copy)

Submitted for the consideration and order of Government.

2. I do not consider the grant of any special allowance to the Executive Engineer to be necessary but the Assistant Engineers have a considerable amount of travelling to do within a limited area, and draw practically no travelling allowance at all.

3. For these officers a horse allowance of Rs 30 might reasonably be granted.

Office of the Suptg Engr,
Puriya Project Works,
Camp Kodak and 20.10.97

24th Oct 1897

From

Colonel J. Puriya Engr. R.E.
Superintending Engineer
Puriya Project Works

To The Chief Engineer,
P.W. Department

Sir,
With reference to your letter of 14th Instant, I have the honor to state that the officers named have all to go over a considerable amount of ground (more than they can reasonably be expected to cover on foot) every day and each of them has to keep a horse for the proper performance of his duties.

2. The general concession of double the ordinary rates of travelling allowance recently granted to the staff employed on

4

on the Peigar Project is of no value
to these officers, as their duties
do not ordinarily take them
beyond a radius of five miles
from their head quarters, though
within this radius they have to
travel from five to twelve miles
daily.

3. Subordinates under similar
condition can be granted horse
allowance by the Superintending
Engineer. A similar allowance
is at least as much required
by the Assistant Engineers in
the I Division.

I have the honor to be,

Sir,

Your trust obdt Servant,

J. B. J.

Col. R. E.

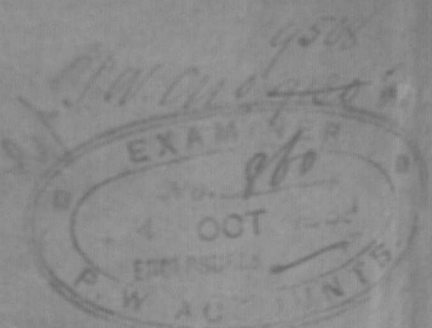

Superintending Eng. Peigar Project.

In now,

The Sup^r Engineer
Periyar Project

The Chief Engineer
P. W. 19

Dated 22nd September 89

Recd 10.10.89

No 1442 of 9 October 1889
To W.

Under article 1181 Civil Service Regulations, additions to Appendix No. 28 can be made only with the sanction of the Government of India. The grant of horse allowance to the Asstt. Engineers of the Periyar will therefore require the sanction of that Government.

W. A. G. T. B.

Asstt. Engineer in N. I. Periyar Division requires the sanction of the Govt of India. He is requested to submit a report of the special reasons that exist for granting the allowance which will require the sanction of the Govt. of India.

Requests for reasons stated that horse allowance of Rs 30 may be granted to the assistant Engineer in N. I. Periyar Division.
