Military Works.

READ—the following letter from Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Bangalore, 14th April 1888, No. 151 A. :—

I have the honor to submit for sanction an estimate of Rs. 2,140 for re-roofing the cap-room of Ordnance Department at the Mount, approved and countersigned by the Inspector-General of Ordnance.

2. The estimate was forwarded by me to the Assistant Quartermaster-General, Eastern District, for the approval of the Military authorities, but was returned with the intimation that, under Quartermaster-General's Circular No. 784 A., dated 20th February 1888, estimates for ordnance works are hereafter not required to be submitted for the approval of His Excellency the Commander-in-Chief, as funds have been placed at the disposal of the Director-General of Ordnance in India for such works; and as by para. 7 of G.O. No. 189 W., of 17th January 1888, the Inspector-General of Ordnance has power to sanction works to the extent of Rs. 500 only in each case, the enclosed estimate is submitted by me for sanction direct instead of through the Military authorities as hitherto.

Sir,

With reference to the subjoined copy of a letter,
No 3888 dated 11th instant, from the Superintending Engineer
V Circle Madras, I have the honor to request that Govern-
ment in the Public Works Department may be asked to
revise the classification of the works referred to, as it is one
of repairs and the funds placed at my disposal by the
Director General of Ordnance in India are only for
original works, i.e. new works or alterations, and I am
therefore unable to allot the funds asked for.

2. Proceedings of Government, Public Works
