GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Military Buildings—Commissariat.

Read the following paper:—

No. . From Colonel J. C. GUNNING, Commissary-General, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Madras, 3rd July 1888, No. 882-TB.

In reference to para. 2 of Proceedings of Government No. 1658, dated 15th March 1883, I have the honor to report that, owing to the contemplated reduction of establishments at Hunsúr, it is unnecessary to incur the expense of converting the old blanket factory into an office, as the Executive Engineer, Presidency, reports that the present depôt office, having been lately repaired, is now in fair order and not likely to require any further repairs for some time to come.

2. The Mysore Government wish to purchase the blanket factory building for use as a sandalwood store and the Officer (Colonel Hay) in charge of the depôt recommends its sale, as it is not wanted for any purpose connected with the public cattle depôt. I beg therefore to advise that it be sold accordingly, in order to save the cost of keeping it up. The Executive Engineer might be asked to value it.

No. . ORDER THEREON, 14 July 1888, No. 845.

The sale of the blanket factory building at Hunsúr, reported to be no longer necessary, is sanctioned.

2. The Public Works Department will be requested to instruct the Executive Engineer, Presidency Division, to value the building in question.

MILITARY DEPARTMENT,

the 28th October 1889.

Read the following papers:-

From the Commissary General, to the Secretary to Government, Military Department, No. 1767, dated Madras, 8th October 1889.

Referring to Proceedings of Government, No. 4815, dated 14th July 1888, sanctioning the sale of the old Blanket Factory building at Hunoor, I have the honor to report that during my late visit to that Station, I inspected the Factory, and am now of opinion that for the following reasons it would be very inadvisable to sell it:-

212
(a) It is very useful for confining the wild herds brought in from the Kawaals to be mustered, branded, measured and selected.

(b) It is situated in the centre of the depot close to the cattle sheds.

(c) It would be very unwise to part with any more of the buildings or lands belonging to the depot, as we may have at any time to increase the number of bullocks. Should the Government of India decide on drawing on Ammur for draught and pack bullocks for other Presidencies (and the fact of their ordering the retention of the surplus Kawaals shows that this is under consideration) and in that event there would be great difficulty in recovering lands and

and buildings once surrendered.

2. They therefore strongly to recommend that the order to sell the factory may be cancelled.

3. The building has not yet been valued by the Public Works Department.

Order.

In the circumstances now represented the Order sanctioning the sale of the Old or Blanket Factory at Ammur will be cancelled.
