Per,

With reference to the Advertisement in page 521 of Fort St. George Gazette of 30th July 1889, Part I granting me furlough for 2 years under para 340 of the Civil Service Regulations with effect from the 26th September 1889 - I have the honor to inform you that I commenced to give over charge on the 26th September 1889, and completed by the afternoon of the 30th September 1889. As all tools, instruments &c. had to be checked by Mr. Jopp, with whom I went over the District Jail, and Artillery Barracks, and as a Sunday intervened, I do not think there has been any delay in my relief - to say nothing of the questions that had to be discussed before the Transfer report could be signed -

2;

It is probable that the Audit of pay for the period 26th to 30th September 1889 may be deferred by the Examiners, pending the sanction of Government. I request that you will be so good

Yours
good

good as to do what is necessary in obtaining
the required sanction.

I have the honor to be

Sir

Your most obedient servant.

In accordance with the order

No. 599 TC

Submitted through the Examiner

P. W. Accounts, to the Chief Engineer

P. W. D for favourable consideration
of orders of Govt.

2

It was absolutely necessary for

Mr. Sopp to examine all Tools & and
works at the Head Quarters, in company
with Mr. Griesner, and the claim of
the latter for pay from 26th to 30 Sept^r is
therefore just and admissible.
