The transfer of funds proposed by the Supty Engineer in the Circle in the accompanying paper, will, under Code rules, require the sanction of the Government of India. As, however, the amount is only Rs 650, it is proposed instead of applying for India's sanction, to allow the paper to lie over pending receipt of surrenders from Superintending Engineers, when allotment can be made without application being made to India.

No. 5757C

From Lt Col A. C. Smith RE
The Superintending Engineer,
6th Circle.

To The Chief Engineer
P. W. D.

Sir,

ENCLOSURES.

I have the honor to request sanction to the following transfer of allotments under Imperial military in the Trichinopoly D^y, if the demand cannot be met by Government in any other way:—

From Imperial military.
Repairs — lump sum
Rs 650

To Imperial military
Minor works — lump sum
Rs 650

2. An estimate of Rs 650 for re-roofing the guard room now used as workshop of the 4th Pioneers at Trichinopoly was, with the approval of

of the officer Commanding Southern District, sanctioned by me last month and the work has been completed on emergency.

3. As the amount of the estimate exceeds one fourth the value of the building, the work has been classed as "original". The officer Commanding, Southern District, was asked to allot the amount from the minor works grant at his disposal, but that officer states that there are no funds available for the work.

I have the honor to be
sir
