8th November 1889, No. 3189 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

Read—the following papers :—

Office note from the Examiner, Public Works Accounts, dated Madras, 15th August 1889, No. 1167.

In returning herewith the abstract of estimate for "Converting the racquet court at Wellington into a covered gymnasium," received with G.O., No. 1893 W., dated 15th July 1889, I beg to point out that the items noted below, which have been provided for in the estimate, should not be supplied by the Public Works Department, as the articles in question do not appear in the list of articles of fixed apparatus for gymnasium given in appendix E, section II (page 54) of the Public Works Code to be supplied by the Public Works Department. I therefore request that the abstract may be corrected and the estimate resanctioned for the net amount.

	RS.
One vaulting horse stuffed with coir and covered with leather	100
One parallel bar	50
Three dumb-bell racks, 10 feet long	75
Two bar-bell racks	30

No. 783-D.

Referred to the Military Department for favor of inquiry whether His Excellency the Commander-in-Chief would wish the fixtures mentioned in the Examiner's office note added to the list of fixed apparatus for gymnasia given in section II, appendix E, Public Works Code. The articles will then be supplied by the Public Works Department.

Ootacamund, 30th August 1889. (Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
Ag. Joint Secy. to Govt., P.W.D.

No. 6042, Military.

Referred to His Excellency the Commander-in-Chief.

(By Order.)

Ootacamund, 3rd September 1889. (Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

From Brigadier-General M. PROTHEROE, c.b., c.s.i., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 10th September 1889, No. 1001 Barrack.

In returning Reference Order No. 6042, dated 3rd instant, I am desired to remark that it is noted that the items as per margin objected to by the Examiner of Public Works Accounts are, agreeably to Army Regulations, India, volume V,

One vaulting horse.
One parallel bar.

appendix 22, to be supplied by the Commissariat Department, but before returning the estimates to the General Officer Commanding Southern District for the necessary correction, information is solicited how the other items objected to, viz.:—

	RS.
Three dumb-bell racks	75
Two bar-bell racks	30

are to be provided, the Examiner, Public Works Accounts, stating that they should not be supplied by the Public Works Department, and they are not included in the above quoted appendix to Army Regulations, India, volume V, as a Commissariat Department supply.

2. As these articles are entered in plates XI and XII of the revised standard plan of gymnastic apparatus, received with O.G., No. 827 M.D., dated 2nd February 1889 (P.W. No. 134 W., dated 18th January 1889) and apparently both (unquestionably the bar-bell racks) are fixtures, it is presumed that they should be provided by the Public Works Department. From the description of the bar-bell racks and method of fastening them into the walls, as depicted in plate XI, it would seem to be essential that they should be put up by the department entrusted with the construction of the building.

No. 6463, Military.

Referred to the Public Works Department.

Fort St. George,
21st September 1889.

(Signed) H. R. SHELLEY, Colonel,
for Secretary to Government.

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 25th October 1889, No. 1249 Barrack.

Dumb-bell racks.
Bar-bell racks.

In returning Reference Order No. 6797, dated 4th instant, with enclosures, I am desired to request you will be so good as to cause the articles marginally noted to be added to the list of articles of fixed apparatus for gymnasia given in Madras Public Works Department Code, appendix E, section II, and supplied by the Public Works Department as therein proposed.

2. The items "vaulting horse," and "parallel bar," included in the estimate for the conversion of the racquet court into a gymnasium at Wellington (which forms one of the accompaniments to this letter) have been eliminated therefrom, agreeably to my letter No. 1001 Barrack, of the 10th ultimo, to your address.

No. 7462, Military.

Transferred to the Public Works Department, and the referred papers returned.

Fort St. George,
30th October 1889.

(Signed) H. R. SHELLEY, Colonel,
for Secretary to Government.

Order—dated 8th November 1889, No. 3189 W., Public Works.

The estimate of Rs. 11,244 will be reduced to Rs. 11,094 by the elimination of the items marginally noted, which should be supplied by the Commissariat Department.

	RS.
One vaulting horse stuffed with coir and covered with leather	100
One parallel bar	50

3189

Dumb-bell racks.
Bar-bell racks.

2. The articles named in the margin will be added to the list of fixed apparatus for gymnasia given in appendix E, section II, Public Works Code, as articles of supply by the Public Works Department.

15TH JULY 1889, No. 1893 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 10th June 1889, No. 524 Barrack.

I am desired to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, plans, &c., below-mentioned, which have been approved by the Commander-in-Chief. The plan and estimate have been countersigned:—

Estimate, amounting to Rs. 11,400, for converting the racquet court at Wellington into a gymnasium, with report, specification and plans.

2. The plan and estimate have been prepared in accordance with the suggestions of the Inspector of Gymnasia, and is entered as a class "C" work in the schedule of requirements published in G.O., No. 1159 W., dated 1st May 1889 (Military Department No. 3699, dated 6th June 1889).

No. 3830, Military.

Approved and transferred to the Public Works Department for disposal.

(By order.)

OOTACAMUND,
12th June 1889.

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

From Colonel H. M. VIBART, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 1st July 1889, No. 287-E.W.

I have the honor to return, duly corrected, approved and countersigned, the estimate, amounting to Rs. 11,244, for converting the racquet court at Wellington into a covered gymnasium for use of the British Infantry, with report and specification and plans, received with your endorsement No. 2923 C., dated 24th June 1889, on Quartermaster-General's letter herewith enclosed.

ORDER—dated 15th July 1889, No. 1893 W., Public Works.

The estimate, amounting to Rs. 11,244, for converting the racquet court at Wellington into a covered gymnasium for the use of the British Infantry at that station, is sanctioned for execution when funds are available.

3

2. This sanction has been registered as Imperial No. 6 W. of 1889-90 and classified as Military, Original Works.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

August 1884, No.

Equipment.

Read the following papers :—

No. *From Brigadier-General GODFREY CLERK, Adjutant-General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Ootacamund, 21st May 1884, No. 1362.*

I am directed, by His Excellency the Commander-in-Chief, to forward, for the orders of Government, the enclosed correspondence regarding the supply of a "board, cutting, collar-makers, 6 feet × 3 feet × 2 inches" to M Battery, 2nd Brigade, Royal Artillery.

2. Under the detail of station stores introduced by clause 168, India Army Circulars, 1881, this article should be supplied by the Public Works Department; but it will be observed that the Executive Engineer, Presidency, says that no order or regulation can be traced in his department requiring that the board in question is to be issued by the Public Works Department, and that he is, therefore, unable to supply it.

3. It will be seen that clause 168, India Army Circulars of 1881, above quoted, states that the detail of stores referred to "supersede all previous orders on the subjects to which they relate; and in any details in which they differ from the provisions of the regulations for the equipment of the army in India, the latter are to be corrected."

4. The return of the enclosures is solicited.

No. 2541.

Referred for remark to the Inspector-General of Ordnance.

2. It is observed that as the Barrack department of this presidency is administered by the Military and not, as in Bengal, the Public Works department, it would apparently be more convenient if supplies of this description were provided by the Ordnance department.

3. Pending further orders, the Government direct that the present requisition be so met.

(By Order.)

(Signed) A. KENNEY-HERBERT, Lt.-Col.,
Offg. Secretary to Government.

OOTACAMUND,
28th May 1884.

To the Inspector-General of Ordnance.

No. *From Colonel S. CHAMIER, Inspector-General of Ordnance, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Fort St. George, 7th June 1884, No. 34-G.*

In returning the correspondence received with your No. 2541, dated 28th ultimo, I have the honor to state, for the information of the Right Honorable the Governor in Council, that, in accordance with the orders of Government, the requisition from the Officer Commanding M Battery, 2nd Brigade, Royal Artillery, for a "board, cutting, collar-makers, 6 feet × 3 feet × 2 inches" will be complied with by this department.

7

2. I am not aware why the Barrack department should be concerned in the issue of articles of this description, unless it is intended, when it is stated in the equipment tables of corps that certain stores are "to be supplied by the Public Works department," that they are to be supplied through the Barrack department.

3. Madras Order of Government, No. 128, dated 21st February 1881, quoted by the Barrack Master at Bangalore publishes a list of furniture, &c., to be supplied to troops and hospitals in this presidency. In this list are contained benches, stools, and tables of all sorts, and it appears to me that it would be better to add to this list such articles as are required by the new equipment tables to be supplied by the Public Works department (through the Barrack department if that is the course intended), which are but few in number, than that supplies should be made on a different system in this presidency to that existing in Bengal.

4. If supplies are made to corps direct by the Public Works department in Bengal of such articles as are notified in the equipment tables to be supplied by that department, I can see no reason why the Public Works department in Madras should not make similar supplies.

No. 2749.

Referred for favor of His Excellency the Commander-in-Chief's remarks.

(By Order.)

OOTACAMUND,
9th June 1884.

(Signed) A. KENNEY-HERBERT, Lt.-Col.,
Offg. Secretary to Government.

To the Quarter Master General.

No. . *From Brigadier-General R. C. STEWART, Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Ootacamund, 14th June 1884, No. 318-C.*

In returning the papers referred for remarks with reference order, No. 2749, dated 9th June 1884, I have the honor, by order, to observe that the article of equipment in question, viz., a "board, cutting, collar-makers," is shown in the "Regulations for the equipment of the Army in India," page 178, as one of the general station stores to be supplied by the Ordnance department; but in appendix XXIII to the same this article, together with a "bench, wood, carpenters'," is especially noted as being supplied by the Public Works department.

2. In the detail of stores referred to in clause 168, India Army Circulars, 1881, and which is corrected up to the 1st February 1884, the article of equipment in question is entered as to be supplied by the Public Works department, and there being no later order than this, His Excellency the Commander-in-Chief considers that the articles (only three in number) included in this last detail of stores as to be supplied by the Public Works department should accordingly be so supplied in accordance with the system in Bengal, and would suggest their addition to the list of furniture, &c., to be supplied to troops and hospitals in this presidency laid down in G.O., No. 128, dated 21st February 1881, as proposed by the Inspector-General of Ordnance in his letter, No. 34-G., dated 7th June 1884, herewith returned.

3. I am to add that the above articles of equipment would in the usual way be furnished through the Barrack department and accounted for on its returns.

No. . *Memorandum from Colonel J. SHAW-STEWART, R. E., Secretary to Govt., Public Works Dept., to Lieut.-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Madras, 1st July 1884, No. 1188-D.*

The undersigned is of opinion that the Public Works department of this presidency should not, as a rule, be called on to supply articles other than *fixtures*

3189

to buildings (*vide* para. 1400 of the Public Works Code). The circumstances of the department in this presidency differ from those obtaining in Bengal, where the Barrack department forms a branch of the Public Works department. Executive Engineers do not in this presidency maintain carpenters' shops, and have themselves to resort to the local market for the manufacture of all wood-work required for buildings constructed by them.

2. It is suggested that the draft order be modified in accordance with the suggestion made above.

No. . *To the Secretary to the Government of India, Military Department; dated 7th July 1884, No. 3257.*

No. . *From Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to the Government of Madras, Military Department; dated Simla, 2nd August 1884, No. 754-S.D.*

Ordnance Department—Stores Supplies.

I am directed to acknowledge the receipt of your letter,* No. 3257, dated the 7th July 1884, suggesting that as the Barrack department in the Madras presidency is under Military and not Public Works administration as in Bengal, the Madras Ordnance department should be required to supply the articles specified in the margin,† which, according to the detail of stores supplied for the use of royal artillery as station stores introduced by clause 168, India Army Circulars of 1881, have to be supplied by the Public Works department.

* Enclosures returned as requested.

† *Tools, Artificers'.*

Frames, wood, for bellows, smiths'.

Miscellaneous Stores.

Benches, wood, carpenters', small.
Boards, cutting, collar-makers, 6 feet × 3 feet × 2 inches
Buckets, water, small, } for use with fire-engines.
Ladders bamboo, } for use with fire-engines.
Ropes with hooks, } for use with fire-engines.

2. In reply I am to say, for the information of the Governor in Council, that sufficient reasons seem hardly advanced for changing the source of supply in the Madras presidency of the articles mentioned. While no advantage would appear to be gained, extra expense would be incurred, especially in the case of corps at a distance from arsenals, by obtaining from the Ordnance department stores which can be made up locally anywhere by the Public Works department.

3. Under these circumstances, the Government of India are unable to accept the suggestion put forward by the Government of Madras.

No. . ORDER THEREON, August 1884, No. .

Ordered that the foregoing letter from the Government of India be communicated for the information of His Excellency the Commander-in-Chief and the Public Works department, and for guidance.

2. The Government approve the suggestion in the latter clause of para. 2 of the Quarter Master General's letter above recorded, and request that a draft G.O. giving effect to it be submitted for publication.

3. Para. 3 of Military Department No. 2541, dated 28th May 1884, embodied in these proceedings is cancelled.

OFFICE NOTE No. 1167

Prov/1

To

W.

In returning herewith the abstract of estimate for "Converting the racquet court at Wellington into a covered gymnasium" received with G.O No.1893 W.dated 15th.July 1889, I beg to point out that the items noted below which have been provided for in the estimate, should not be supplie by the P.W.Department, as the articles in question do not appear in the list of articles of fixed apparatus for gymnasium given in appendix E, section II (page 54) of the P.W.D.Code to be supplied by the P.W.Department. I therefore request that the abstract may be corrected and the estimate re sanctioned for the net amount -

It is requested that the heading, number, and date of this communication may be quoted in any subsequent correspondence on this subject.

No. 1001 Barrack

From

BRIGADIER-GENERAL M. PROTHEROE, C.B., C.S.I.,
QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,
MILITARY DEPARTMENT.

SIR,

1 Vaulting Horse
1 Parallel Bar

In returning R.O. No. 6042 dated 5th Instant, I am desired to remark that it is noted that the items as per margin objected to by the Examiner of Public Works Accounts, are, agreeably to Army Regulations India Volume V. Appendix 22, to be supplied by the Commissariat Department, but before returning the estimates to the General Officer Commanding Southern District for the necessary correction, information is solicited how the other items objected to, viz:

3 Dumbbell racks .... Rs. 75 - - -

2 Barbell racks .... Rs. 30 - - -

15

are

are to be provided. the Examiner Public Works Accounts stating that they should not be supplied by the Public Works Department, and they are not included in the above quoted Appendix to Army Regulations India Volume V as a Commissariat Deptt. supply.

2 As these articles are entered in plates XI & XII of the revised Standard plan of Gymnastic Apparatus, received with Q. M. D No. 827 dated 2nd February 1889 (P W. No. 134 W. dated 18th January 1889) and apparently both (unquestionably the Barbell racks) are fixtures, it is presumed that they should be provided by the Public Works Department - From the description of the Barbell racks and method of fastening them into the walls, as depicted in Plate XI, it would seem to be essential that they should be put up by the Department entrusted

with
