Presidency Q. W. Workshops
Madras, 15 October 1889.

From Lieut Col. H. B. Clarke R.E.
General Superintendent
Public Works Workshops

To

The Superintending Engineer
5 Circle, Madras

Sir

I have the honor to bring to your notice that I find it absolutely necessary for the well being of the carpenters Department, to recommend that the services of the carpenter Maistry Mlooneappa Achary should be dispensed with from the 31st December 1889 as I now find him little or no assistance as a Foreman Maistry in his particular branch. He is in my opinion, too old and incapable of exercising that control, or command over the workmen under his charge, which is most essential for facilitating the progress of work, and for insuring good quality of work.

2. He has now served $3\frac{1}{2}$ years altogether, out of which he was employed 12 years in the old Madras Mint

3. He has been a good workman in his time and a clever pattern maker.

4. His want of knowledge of English figures is also a great drawback, for he is unable to keep his own account

of

of issue of wood to works, as is required
of him, except in the vernacular.

5 I cannot, unfortunately, obtain any
Government document setting forth
that he is entitled to a Pension, but
being an old servant, I hope that the
Government may be induced to consider
favorably his claims for a Pension of
some degree as a reward for good
services rendered.

6. I must ask you to be good enough
to support this my application for a
Pension on behalf of Mooneappaiah,
Mharry the Carpenter Maistry

I have to
Yr Sd Clarke Esq
Genl Supt P.W. Works

N^o 5000.

Forwarded to the Chief
Engineer P.W. Department for
