Copy of letter from G. E. Manson Esquire,  
Executive Engineer, Dinneville Division, to the  
Superintending Engineer VI Circle, No: 2240  
dated 18<sup>th</sup> October 1889.

I have the honor to state that the Super-  
intendent of Police Dinneville requested  
me to take charge of the Police Station and  
Huts at Padukapur in Dehkanai Taluk, as the  
Station there was abolished I have accordingly  
taken over charge of them in accordance  
with para 980 of the D. W. Code.

2. The Station and Huts were built by  
the Police Department in 1864-65 at a cost  
of Rs. 198.

3. The Station house was built with  
thatched roof on mud walls and the huts  
with tiled roof on mud walls. The roofs  
have been eaten by white ants and are  
in ruined state.

4. The heads of other Departments  
have been asked to know whether these  
buildings will be any use to them. They  
replied that the buildings are not re-  
quired to them.

5. These buildings have not been  
brought in the Return of Public Buildings  
of this Division as this Department  
was

\*  
Collector  
District Judge  
Muz Officer  
Registrar  
Dist Office Capt.  
Zillah Surgeon.

was not aware of their existence.

6. Under these circumstances I have the honor to request you will be so good as to permit me to sell the buildings by public auction or in case no one wishes to purchase them as they appear to be very out of the way and useless except for the purpose for which they are built that the tiles and woodwork may be sold for and the mud walls left. The buildings are not worth watching and I think in case of similar huts being abandoned by the Police that Department might be allowed to dispose of them themselves when they built them themselves.

N<sup>o</sup> 67 D.T.N.

Submitted to the Chief Engineer F.W.D. with a request that sanction may be obtained to the disposal of the station and huts as proposed by the Executive Engineer.

Trichinopoly  
29<sup>th</sup> October 1889.

J. Aldrich Esq. M.A. F.R.C.  
Superintending Engineer.
