PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read endorsement of the
Public Works Department, dated
31st October 1889, No. 4964 C referring
to the Revenue Department, the following
letter from the Superintending Engineer,
First Circle ^{to the Chief Engineer}, dated 22nd Oct. 1889,
No. 966 G.P.

I have the honor to request
that I may be informed when
work in the Ganjam District can
be carried on in the usual way
and the rules regarding payments
laid down in the Famine Code
no longer enforced. The Executive
Engineer Rushikulya wires to
me that there is now no distress
and the system of daily payments
is objected to by the Payees.

Order thereon, 17 Nov. 1889, No. 4142.

The rules regarding payment
of wages will remain unaltered so
long as the works are open as
relief works.

The question of closing
them

their as relief works has formed
the subject of communication with
the Collector.
