MEMORANDUM.

Enclosures.

The undersigned has the honor to observe that an allotment of Rs 2490 required for the work of closing breaches and raising bank between the junction (Buckingham) Canal lock and road at the end of Travers Channel was applied for, and sanctioned in G.O. No. 2700.W. dated 5th October 1889 under "Miscellaneous Public Improvements" although it was distinctly stated in this office Memorandum No. 49 B.C. dt. 18th June 1889 and 55 B.C. dated 15th July 1889 that the cost of such work should be charged to the Buckingham Canal under "Maintenance and Repairs". The Supg Engineer, 2nd Circle will therefore relinquish to the Chief Engineer Roads and Buildings branch the allotment under "Miscellaneous Public Improvements" the outlay already incurred against that allotment being written back to the "Buckingham Canal". The application for an additional allotment for this canal under Maintenance and Repairs recently received from the Supg Engineer will be complied with to the extent to which funds may become available by surrenders.
