The "Colin Damply" Level referred to by the Govt. of Bombay is apparently the same as that which forms the subject of the file put up.

If approved, copies of the undermentioned papers might be forwarded to the Govt. of Bombay, with the remark that Mr. Damply's note has been circulated to officers of the Dept. & a number of opinions have been elicited, but that so far as is known the instrument has not had a practical trial in the Dept.
